## **STUDENTS' COUNCIL TAQNEEQ 12.0**

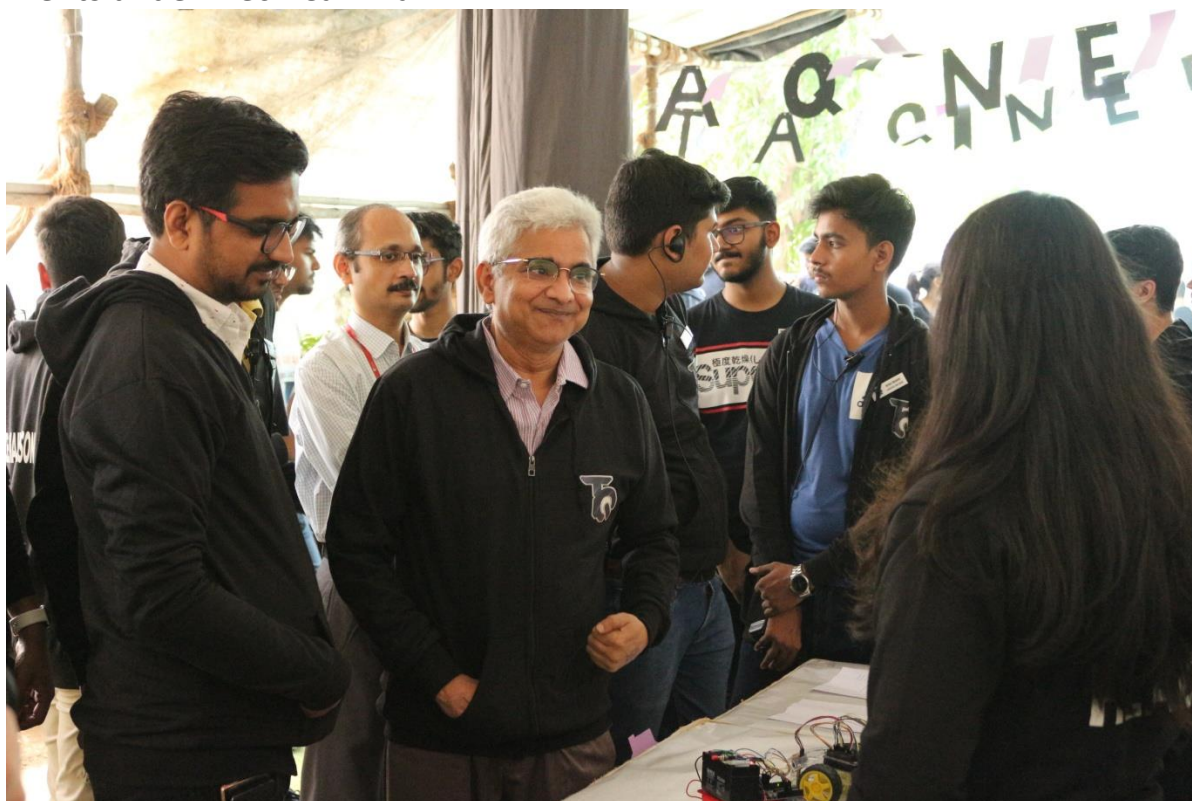

### **EVENT REPORT**

The Annual Technical Festival of NMIMS' Mukesh Patel School of Technology Management & Engineering – TAQNEEQ 12.0 'Transcending Reality' was the 12<sup>th</sup> edition held on 15<sup>th</sup>, 16<sup>th</sup> & 17<sup>th</sup> of October, 2019. Taqneeq is a celebration of technology with a rich history which witnesses the presence of the who's who of the nation. Taqneeq is a technological marvel which provides dreamers and believers with a stage to showcase their talents and how one can conquer almost anything with the right technology.

TAQNEEQ 12.0 conducted several Technical Events, workshops, Informal Events and a 12 hours Hack-a-thon.

This year the pre-event of TAQNEEQ 12.0 was 'Tech Carnival'. A perfect blend of technical events with a fun aspect, which encouraged the new students towards the technical events. Each event carried some technical background with fun element. This led to a great success and footfall of approx. 1000 students from our college as well as colleges located in our vicinity.

Events under 'Tech Carnival':

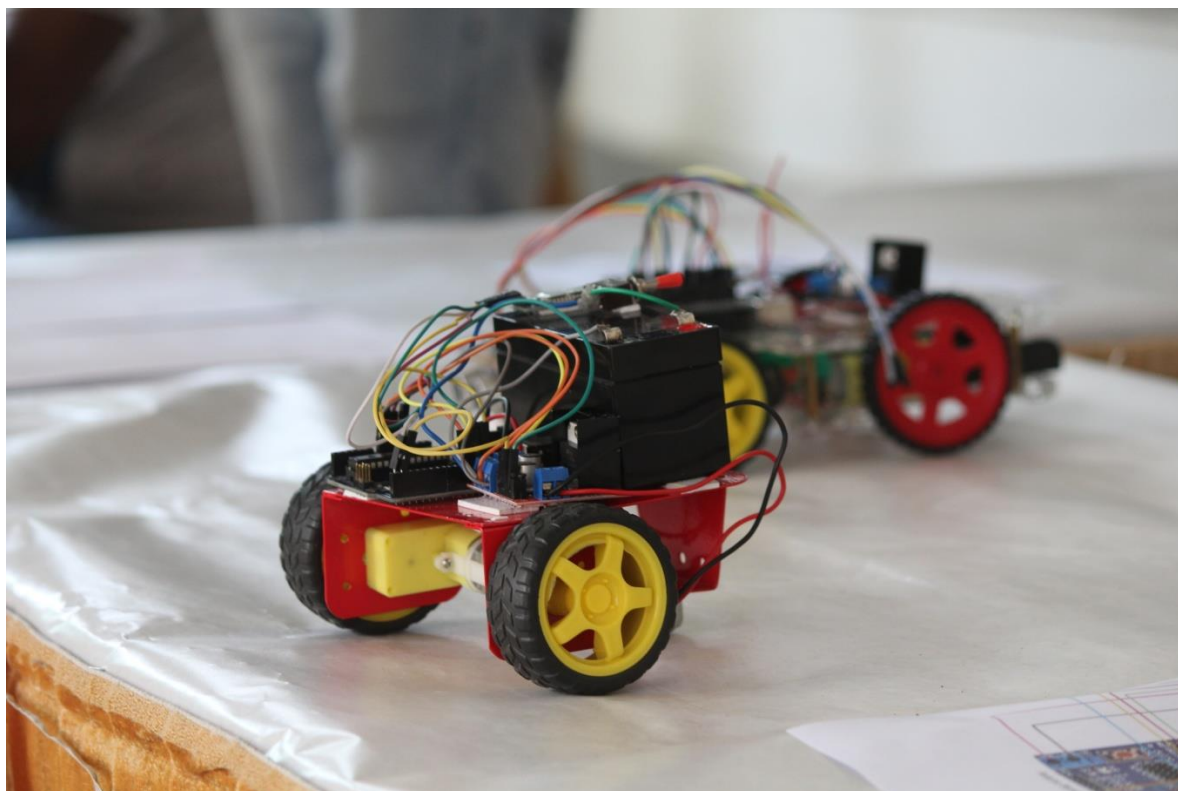

The Students' Council  
Mukesh Patel School of Technology Management and Engineering  
SVKM's NMIMS  
2019-20

The biggest interaction of Taqneeq was **'THE TALK'**. It is a summit where dignitaries and notable luminaries from different professional spheres come together and each of them give a 12 to 15 minute speech to knowledge and inspire the youth about their experiences and the upcoming and ongoing technical advancements in their respective field of work.

In this year we were honoured to have Mr. Sanjay dutt (MD & CEO, TATA realty & infrastructure Ltd.), Mr. Arunabh Kumar (Founder of The Viral Fever) and Darshit Mehta (Senior Scientist at DRDO).
