STUDENTS' COUNCIL TECHNICAL COMMITTEE

EVENT REPORT – Technical Poster competition

The Students' Council Technical Committee 2019-20 had organized Technical Poster competition in collaboration with IBM for the students of IBM ICE program on 17th of September, 2019. IBM ICE DAY was an activity filled event with the objective of 'learning with fun'.

The event commenced with an orientation session in which all the students were briefed regarding the flow of the curriculum and the pattern to be followed each semester. The event was judged by some of the esteemed dignitaries. The Pro-Vice Chancellor, Advisor to the Chancellor (IT), HOD's of various departments judged the event.

The poster presentation was conducted in the ED Hall and the students were given various topics for poster:

1. Benefits of the internet on society
2. Social Networking
3. Why is data analytics so important?
4. What is artificial intelligence?
5. Artificial intelligence in Machines
6. Role of Big Data in digital India
7. Different types of cyber crime
8. What is the Internet of things? What are its benefits?
9. Intelligent Transportation Systems
10. Applications of artificial intelligence

The dignitaries guided the students before the commencement of the presentation and an introductory session was held. Throughout the presentation the students were expected to present the poster in a stipulated time limit. All the students were well prepared for the presentation and explained the posters very well.

The grading of posters was done on basis of decided criteria. After the completion of all poster presentation all students proceeded for lunch arranged by the committee.

Post the lunch the IBM representatives applauded the students for their efforts and dedication shown in the activity and the winners were declared.

Rajeev Khanvilkar
Krishna Jindal
Diti Jignesh Bhatt
Rakshita Chawla
Sahat Shah

2nd:

Prateek Joshi
Vikram Sharma
Anishka Moona
Sharan Shetty
Vaishnavi Singh Suroth
Shubham Bagdare
Snehil Suman
Tarun Tanmay
siddharth mehta

3rd:

Samiksha K Shetty
Madhumita Joshi
Ishaan jani
Hardik Jain
Manan Kapoor
