

Computer Engineering Department
List of Elective Courses – MCA (Batch 2022 - 2024)

Sr. No.	Elective Course Name	Area/Discipline
1	Advanced Database Management System	Computer Engineering
2	Advanced Java	Computer Engineering
3	Internet of Things	Robotics and IoT
4	Human Computer Interaction	Computer Engineering
5	Micro services and Architecture	Computer Engineering
6	DevOps	Data Science
7	Blockchain Technology	Information Science /Technology
8	Big Data Analytics	Data Science
9	Basic Decision making with Spreadsheet	Data Science
10	Algorithmic Trading	Data Science
11	Introduction to Virtual Reality and Augmented Reality	Computer Engineering
12	Game Design	Information Science /Technology
