Placements Overview

Academic Year 2013 – 14

Placement Cell - Facilitators

- Regular visits to companies pan India to build corporate relations

- The Placement Cell organizes and conducts Aptitude and Technical Tests for the students of Pre Final Year and Final Year students

- Regular Counseling/ Guidance sessions are organized for all students who are in Pre Final and Final Year

Faculty Mentorship:

- The concept of Faculty Mentorship has been implemented. The faculty mentor helps a students to do a SWOT Analysis of himself or herself and analyze themselves before the recruitment drive begins.

- The Faculty mentors help students to prepare their CV's and also to sharpen their technical knowledge before a company process and continue to do so until a student gets placed or achieves his dream job

Aptitude & Soft Skills Training

The Placement Cell organises for Aptitude Training and Testing Sessions to prepare students in:

✓ Quantitative Ability
✓ Logical Reasoning
✓ Verbal Ability

Students undergo an Employability Skills Workshop to help them prepare well for the Recruitment drives. The workshop helps students in the following modules:

✓ Group Discussions
✓ Corporate Etiquette
✓ Effective Resume Building
✓ Personal Interviews

<u>Feedback by trainer:</u>

The overall feedback for the **B.Tech Batch** of 2013-2014 is very good. The students were very proactive

Technical Training & Testing

Every year starting from the Batch of 2007-2011, Accenture conducts an HSFP (Head Start Foundation Program) for students

Training was specially organized for students with **65%** throughout academics which was conducted in July 2013

Topics Covered in the (Head Start Foundation Program) :

- Hardware & OS
- Software architecture
- Cyclomatic Complexity
- Types of Data Storage
- Maintainability, Quality
- Performance
- UML
- OOPs
- Procedures
- Classes
- Objects
- Error handling
- Functions
- JDBC
- Algorithms
- Design Patterns and Middleware and ETL

- **Regular Technical Training sessions and tests are conducted by in house faculty for all** students

- **The Placement Cell organizes for appropriate training sessions** depending upon the Job Descriptions and Job Requirements as shared by a company before a company comes on campus

Technical Training & Testing… Contd

- A 30 hour technical training session for all Non technical program students of ELEX and EXTC students conducted. This training was to train the students on common technical subjects.

- Technical test for students below 65% conducted. The test was based on subjects such as C, C++, Java, RDBMS (SQL), Networking, Operating System and Software Testing.

- Java training & test conducted for all the students thus preparing them as per the Company requirements for the recruitment drives.
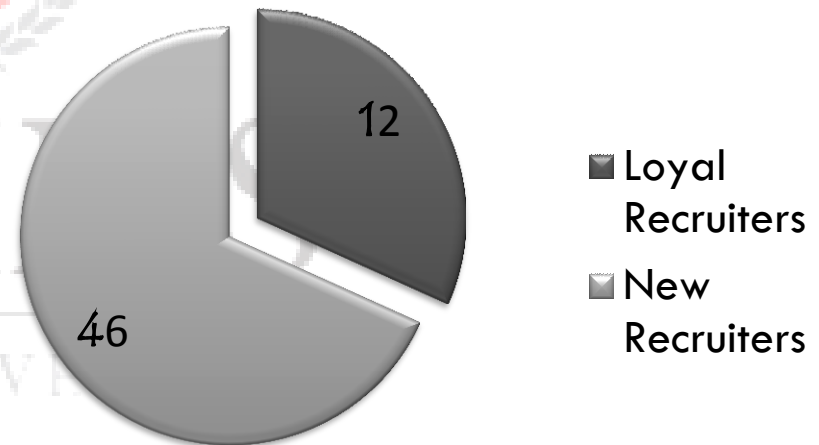

Corporate Connects

Feedback from Recruiters

S&P'S CAPITAL IQ
"The campus never fails to impress. The quality that we seek as requisites, we always get. The energetic students bring us here year on year to add their talent to be a part of our workforce."

ERNST AND YOUNG
"The session was well organised and the facilities were good. We had a great interaction with all the students. Good luck to all students for their careers ahead."

ACCENTURE
"The college is very nice, clean and impressive. People are very cooperative. This has been the best environment till date. Students here are excellent and we have enjoyed our association with NMIMS – MPSTME. Keep it up!"

ZS ASSOCIATES
"We are quite excited to find a good number of folks from your college. Your hospitality was awesome. We look forward to visiting the campus next year."

NOMURA
"Very good crowd of students with excellent infrastructure and we can see a corporate culture in this college. Exceptionally good culture and collaborative attitude amongst all students. We are happy that we visited the college campus."

TAVANT TECHNOLOGIES
"Loved the hospitality and the students are just mind blowing. We loved the word 'Corporate Ready'. This was an excellent batch of students. Keep up the good work."

LEIGHTON WELSPUN
"Excellent organised team. Very professional approach and we were impressed with all the activities. We will definitely come back to this campus. Students are above average quality level and have friendly attitudes. We appreciate the mode of learning and teaching on campus."

TORC STAR BOLTING TOOLS
"Nice campus with good infrastructure. Students are having good knowledge and will make perfect engineers."

PWC
"All in all a good time. Congrats to everyone who made it. Cheers!!!"

AMDOCS
"Excellent hospitality and caring done. Students are very well trained in all areas apart from just being trained to become technical engineers. Good to see such type of behavior getting adopted right from the time they are getting trained as Engineers."
