Placement Statistics since 2010 achieved through strong industry connect

Placement Cell (Facilitators)

- Regular visits to companies pan India to build corporate relations
- The Placement Cell organizes and conducts Aptitude training, Technical training and soft skills training along with the Tests for the students of Pre Final Year and Final Year
- Regular Counseling/Guidance sessions are organized for all students of Pre Final and Final Year

Faculty Mentorship:

- Faculty Mentors are allocated to every student that guide them on
 - a) Projects
 - b) Technical Skills Development
 - c) SWOT Analysis
 - d) CV Review
- The Faculty mentors help students to prepare their CV's and also to sharpen their technical knowledge before a company process and continue to do so until a student gets placed or achieves his dream job

Aptitude & Soft Skills Training

The Placement Cell organises for Aptitude Training and Testing Sessions to prepare students in:

- ✓ Quantitative Ability
- ✓ Logical Reasoning
- ✓ Verbal Ability
- ✓ Data Interpretation, etc

Students undergo an Employability Skills Workshop to help them prepare well for the Recruitment drives. The workshop helps students in the following modules:

- ✓ Group Discussions
- ✓ Corporate Etiquette
- ✓ Effective Resume Building
- ✓ Personal Interviews

Feedback by trainer:

The overall feedback for the **B.Tech Batch** of 2017 - 2018 has been good. The students were very proactive

Technical Training – Infosys Campus Connect Program

The College conducts Corporate trainings with support from IT Majors like Infosys to enhance the technical skill sets and students get certified by the corporates based on their success in the exams.

In addition to the above, regular Technical Training sessions and tests are conducted by in house faculty for all students

Based on the job description provided by the company, the B.Tech Placement Cell organizes for appropriate training sessions.

Corporate Connects & Activities

Infosys Campus Connect Session: Regional Training Manager, Mr. Anuj Jajoo, from Infosys, Pune, visited the Campus on 27th Jan'17, to meet the current final year students of Batch 2017-2018 briefing the benefits of the Campus Connect Program post their joining with the organization on selection during the campus drive.

Google Ambassador Batch 2018:

Google is spreading awareness in Indian Computer Science campuses, named “Applied Computer Science with Android”. For the year 2017 – 18.

We have **Ms. Divya Nair - 3 Year B.Tech IT and Mr. Jinam Shah – 3 Year B.Tech CS as “The Google Ambassadors”.**

Nomura Kakushin Contest: Information Technology Division Coding Contest “**KakushIN**” launched by Nomura on **19 July 2017:** The competition was held with a purpose to try and simulate the challenges in the real world of technology and give a bird’s eye view into the life of a technology professional in an investment bank.

We won the **second prize in the competition.** 2 students “**Arnav Chakravarthy**” & “**Siddharth Raja**” from **CS** were **offered Full Time Employment as ANALYST by Nomura**

ZS Associates organized and launched the “**Young Data Scientist Challenge 2017**” from 13th June to 4th August 2017.

Project Deep Blue Season 3: **Mastek** conducted a session on **11th August 2017**, briefing about their Project Competition Launched. This Project would connect the NGO’s and their problems and will go live on completion and helping them in different ways with the help of technology and innovation and creative ideas from Fresh Engineers.

Launch of **Accenture Innovation Challenge** on **29th Aug 2017** for all students of B.Tech MCA & M.Tech

Corporate Connects & Activities

Infosys Inspire Event - 27th Sept 2017: Felicitation of Efforts of the faculties associated with the Infosys Campus Connect Program.

The B.Tech Placement Cell was a part of the organizing committee of **NMIMS** in collaboration with **SAS** in conducting the **“Business Analytics and Data Mining Championship 2017** - Biggest hunt of Data Science Talent across Indian Universities to be held on **12th- 14th Oct 2017**.

Developer Student Clubs by Google:

Developers program By Google for University students designed to help them learn mobile and web development skills. It is intended to be a space for students to learn and collaborate as they solve mobile and web development problems.

Manas Chaturvedi from **B.Tech IT** got **selected as the Lead-Developer Student Club**.

The following activities were conducted as a part of the program:

- Created a Core Team of fellow students to help in planning and execution of peer group readiness focused activities;
- Organized and delivered mobile/web development focused workshops for fellow students;
- Enabled more students to be trainers and support them in conducting sessions;
- Identified local organizations who can benefit from mobile solutions, and facilitate solution development activities;
- Hosted showcases and other events to highlight the solutions developed by students; and
- Committed for one-year (2017-18 academic year) to act as a Student Lead.

Study and Research in Germany – DAAD session: Ms. Shubhada Choudhury from DAAD visited our campus on 9th January, 2018 to give a brief about Study and Research in Germany.
