

Curriculum Vitae

Dr. Ambrish Sanjay Dharmadhikari

MBBS, DPM, DNB (Psychiatry),

MNAMS, MAPA, MIPS, PDRF (USA)

Head – Medical Services (Psychiatrist)

Mpower – The Foundation,

Mumbai

+917208109965

ambrish30@gmail.com

DOB: 30/07/1986

Bio-sketch:

I have been academically inclined from start. In under-graduation (MBBS), I was fascinated by psychiatry. To pursue passion, I joined psychiatry excellence institute, completed DPM from CIP, Ranchi with gold medal. After completing my DPM and DNB (Psychiatry); I pursued post-doctoral training for new investigator from university of Pittsburgh, USA. For sharpening my research skills, I have trained myself in six months long course in research methodology by Indian institute of public health, Gandhinagar. I was awarded “Young psychiatrist track award” by World association of social psychiatry in 2016. Till date I have published seventeen (16) research paper and wrote five (5) chapters in various psychiatry textbooks. I have experience of working in field psychiatry for six years and Expertise in field of depression, EEG and community psychiatry. I have worked actively in providing mental health services in under privileged communities in Mumbai. I have been active in field of awareness on mental health via workshops, talks in community and media. Headed project for “Positive parenting and child helpline” based in Mumbai for one year. Currently I am working with Mpower – The foundation, in capacity of Head – Medical Services.

March 23, 2021

To,
Dr. Ambrish Dharmadhikari,
Head psychiatrists,
MPOWER foundation,
Aditya Birla Foundation

Dear Sir,

At the outset we would like to thank you for sparing your valuable time to conduct a webinar on 'Interdisciplinary research in medical science' for faculty and Research Scholars at Mukesh Patel School of Technology Management & Engineering, Mumbai on March 17, 2021. Participants found it to be very useful and informative.

Looking forward to similar sessions in future.

Thanks and best regards,

Dr. Archana Bhise
Professor (Department of Electronics and Telecommunications Engineering)
Associate Dean (Research and Development)
