Your valuable feedback and suggestions are solicited for further improvement of the University System. Against each point, a 5-point scale is given. The five points are: **5- Strongly Agree, 4- Agree, 3- Neutral, 2- Disagree, 1- Strongly Disagree**. Your response will be kept confidential and used only for the intended purpose.

	(5)	(4)	(3)	(2)	(1)
1. Syllabus and Courses created interest in order to pursue higher studies	●				
2. Curriculum suitable for jobs related to your field			●		
3. Curriculum was updated according to recent trends and developments			●		
4. Electives offered in curriculum helped you to provide your interest areas		●			
5. Curriculum includes the right mix of theory and practical knowledge			●		

Any other Suggestions / Comments: I am currently working as a product manager, and the most important thing we have to do is read and analyze data, which somewhere or the other I felt missing in my college curriculum. I found The Capstone project which was done as a pilot for us very interesting and it developed a sense of business in the students. I think the college curriculum can be focused a little bit more on the practical side.
