

Computer Engineering Department

List of Elective Courses – B.Tech CSBS (Batch 2022 - 2026)

Sr. No.	Elective Course Name	Area/Discipline
1	Cloud, Microservices & Application	Computer Engineering
2	Machine Learning	Artificial Intelligence
3	Data Mining and Analytics	Artificial Intelligence
4	Modern Day Robotics and Its Industrial Applications	Robotics and IoT
5	Modern Web Applications	Web Development
6	Cognitive Science & Analytics	Artificial Intelligence
7	Introduction to IoT	Robotics and IoT
8	Cryptology	Cybersecurity
9	Quantum Computation & Quantum Information	Cybersecurity
10	Advanced Social, Text and Media Analytics	Artificial Intelligence
11	Mobile Computing	Networks
12	Behavioral Economics	Management
13	Computational Finance and Modeling	Management
14	Industrial Psychology	Management
15	Advance Finance	Management
16	Image Processing and Pattern Recognition	Computer Engineering
17	Enterprise Systems	Management

Management
