Event Report: Neymar Jr's Five Football Tournament

Students' Council Sports Committee for the first time ever, conducted the Neymar Jr's Five Football Tournament in collaboration with redbull on 6th October at Balkanji-bari Football Turf (Santacruz) . The event started at 8 o'clock on a bright and Sunday morning.

The players of various streams arrived fresh and in their best form to compete against each other. A stall was set up by Redbull , to serve the players with the energy drink to boost them up after each tiring match.

The teams of five that participated included both Girls as well as Boys ,and both put their best foot forward.

The competition was healthy and fierce and pushed the players to their limits. With the audience cheering them on, and amazing redbull merchandise and a ticket to the state level tournament in their grabs, the teams have in their all. The tough matches and the neck-to-neck scores had the audience biting their nails and sitting at the edge of their seats. The players showed off their skills, hard work, practice and dedication on the field. This event truly brought out the best sportsman in everyone, players and audience alike.

The event was wrapped up with the prize distribution at 4 o'clock.

The first place trophy was given to Team Data Snakes who defeated Team Ecstasy.

All in all, this event was truly a success due to the massive display of talent, teamwork and sportsmanship. This day will forever be etched in everyone's minds where everyone went home with something to learn and something to cherish.
