## About MPSTME

MPSTME is a constituent school of SVKM's NMMIS University that is ranked among Tier -1 category of institutions by MHRD, Government of India. MPSTME was established by NMIMS in the year 2006-2007. AT MPSTME our vision is to develop and well equip our graduates in engineering and technology management studies. Through MPSTME, NMIS is expanding on its forte and creating capacity in the technical education sector. Recognizing that technology is the key driver to disruption and change, MPSTME has been on the forefront of the learning curve in Technology education. The credo of MPSTME is to develop technology- savvy managers and business leaders for all sectors of the economy. MPSTME offers engineering and technology Management programs at Mumbai and Shirpur campuses.

## Faculty

Most of the faculty either hold or are pursuing a Ph.D. degree in their respective fields. Visiting faculty includes eminent and knowledgeable experts from the industry and academia.

## Infrastructure

In addition to facilities at the main campus of NMIMS, MPSTME has additional state-of-the-art facilities.

**Library:** The world-class library has an impressive collection of books and journals and is fast transforming itself into a digital library with e-Journals, e-Catalogues and Online Reports.

**Laboratories:** These include Applied Sciences, Electronics, Computer Hardware & Software, Telecommunications and Information Technology, fully equipped Mechanical Engineering Lab and Audio Interactive Language labs, all with technologically-advanced instruments. Civil and Mechanical workshops are also established with advanced tools and machines.

NMIMS, ACCENTURE “Centre for Innovation” has been set up at MPSTME, Mumbai and Shirpur Campuses. Training for students has been already conducted.

MPSTME has setup a Robotics Lab under the e-yantra Lab setup initiative (eLSI) to impart training & education in the area of Embedded System & Robotics. e-yantra is a project sponsored by MHRD under National Mission on Education through ICT (NMEICT).

MPSTME has established “Centre of Excellence in Automation Technologies” in collaboration with BOSCH, Germany, to set up well equipped laboratories with state-of-the-art facilities for Hydraulics, Electro pneumatics, PLCs, Sensorics, Mechatronics and Robotics. The equipment is the same as that used in industry and will be used for teaching, research and training purpose. This is one of the exclusive facilities in the western region of the country.

MPSTME has also established “Akash Centre”, “IIT Mumbai Remote Centre”, “Blackberry Lab” and “Microsoft IT Academy Program” to update student skills and render them employable.

MPSTME has set up LUCAS – NULLE laboratories in the area of Communications and Network Technologies.

LUCAS - NULLE Lab

### Shirpur Campus

MPSTME offers Technology Management and Engineering programs in its off-campus centre at Shirpur, Maharashtra, where all amenities and facilities are established to make students as comfortable as in the Mumbai campus:

- Academic Wing • Boys Hostel • Girls Hostel • Food Court • Gym Facility • Open Air Theater • Transport Facility
- Medical Facility • Central Library • Playground • Staff Quarters • Stores

- Institution of Electronics and Telecommunication Engineers (IETE) Student Chapter
- Association for Computing Machinery (ACM), Student Chapter
- Earth Appreciation Society, Student Chapter
- Social Impact Cell

## Collaborative Programs with reputed Universities Abroad

- **Western Sydney University, AUSTRALIA - (Bachelor of Engineering-Honours in Civil , Construction, Electrical, Mechanical, Robotics and Mechatronics):** B.Tech students can study 2 years at NMIMS MPSTME followed by the remaining 2 years at Western Sydney University. Successful course completion may lead to post study work opportunities in Australia.
- **University of New South Wales, AUSTRALIA - (Bachelor of Science in Computer Science /Bachelor of Engineering (Hons) in Computer, Mechanical, Aerospace, Manufacturing & Mechatronics):** B.Tech students can study 2 years at NMIMS MSPTME followed by remaining course completion at UNSW. Successful course completion may lead to post study work opportunities in Australia.
- **Stevens Institute of Technology, USA: (MBA / MS in Finance, Business Intelligence and Analytics, Information Systems, Financial Engineering, Management / Graduate Certificates in a variety of subjects):** MBA Tech students can study 9 semesters at NMIMS followed by a year at Stevens and earn a B.Tech and MBA Tech degree from NMIMS and a MBA/MS degree from Stevens Institute of Technology. Successful course completion may lead to OPT (Optional Practical Training) in USA.
- **Virginia Tech University, Blacksburg, Virginia:** MPSTME runs M.Tech (Data Science) and M.Tech (Artificial Intelligence) in association with Virginia Tech, whose faculty members deliver lectures at MPSTME, Mumbai campus.

## Summer School - 2 to 4 weeks study abroad

- **U C Berkeley Summer Session, USA:** NMIMS students can study for 2-4 weeks' in California. Summer program are available in more than 600 courses. US News and World Report ranked UC Berkeley as the No. 1 Public University Worldwide.
- **ESSCA Summer Program, FRANCE:** NMIMS students can study a 2-4 weeks summer program offered at Paris/Angers/Budapest/Shanghai.
- **University of British Columbia, CANADA:** The four week programs offered by The University of British Columbia give students an opportunity to take two academic courses while learning about Canadian culture and practices.
- **Illinois Institute of Technology (IIT), Stuart School of Business, Chicago, USA:** Offers a four weeks Global Business Immersion. Global Business Immersion Summer Program – for UG Students. Marketing Analytics Summer Program – for Graduate Business Students.

## Internship in USA

- **Summer work and travel program in the USA** – For first and second year students. All Bachelors students are eligible for this program.
- **PREX and Placement Plus** - For Final year students.
