

TECH-UP FOR THE **FUTURE**

Mukesh Patel School of Technology Management & Engineering (MPSTME)

Mukesh Patel School of Technology Management & Engineering (MPSTME) was established to provide innovative and well-integrated technological education aligned with dynamic industry and societal trends. The institution addresses the growing need for industry-ready engineers and techno-managers equipped with technical expertise and essential skills to create tomorrow's technology today.

Since its inception, MPSTME has consistently maintained excellence in academic standards. The learning experience here is enriched by experienced faculty, inspiring libraries, stimulating classroom discussions, and state-of-the-art advanced laboratories.

Australia

HTWG Konstanz University of
Applied Sciences, Germany

and many more...

Student Achievements

Technical Competitions

- Winner - BYOB Himalayan Startup Trel, IIT Mandi
- Winner Bio Farma X MIT Hacking Medicine, Bali
- Mitacs Globalink Research Internship
- 5 Awards at Terrain Vehicle Championship-ATVC

Winners in Climate Hackathon

Aravalli Terrain Vehicle Championship

Coding Crusaders at IIT Bombay

Start-ups & Innovations

Rasmali Filling Machine

V-Guard Big Idea B-plan Competition

Aignosis - Shark Tank India

Extra-Curricular Activities

Student Clubs & Activities

Professional Chapters

IEEE | ACM | ASME | ASCE

Extra-curricular Activities

Sports Committee | Singing Club
Drama Club | Dance Club

Outreach Activity

Social Impact | Enactus | MUN

Competition Teams

Robocon | SAE Baha
Underwater Rover

Technical Clubs

Coding Club | Developers Club
Inceptio

Fest

Taqneeq | Social Conclave | Sattva

Learning at MPSTME

Diploma Programs

(After 10th)

Diploma Engineering / Technology Three-year full time program, followed by a seamless transition into a degree program after second year

Mechanical Engineering

Computer Engineering

Information Technology

Computer Science & Engineering

Graduate Programs

(After 12th)

MBA Technology Management (B Tech + MBA) Five year full-time Integrated program with International Affiliation

Information Technology

Computer Engineering

Artificial Intelligence

Data Science

B Tech Four year full-time program

Civil Engineering

- Construction Engineering & Management
- Infrastructure Engineering & Management

Mechanical Engineering

- Digital Manufacturing
- Product Life Cycle & Management

Electronics & Telecommunication

Computer Engineering

Data Science

Information Technology

Artificial Intelligence

Mechatronics

Computer Science and Business Systems (CSBS)

Computer Science & Engineering (Cyber Security)

Computer Science & Engineering (Data Science)

Master Degree Programs

M Tech Two year full-time postgraduate degree program
In collaboration with LTIMindtree & Implementation partner: L&T EduTech

Artificial Intelligence

Data Science

MCA
Two year full-time postgraduate program

Master of Computer Applications

Doctoral Degree Program

Ph D A robust research program to conduct research in core and emerging areas
Engineering | Technology Management | Applied Sciences

Notable Alumni

Mr. Tejas Chopra
(B. Tech – Electronics, 2010)
Senior Software Engineer, Netflix
San Francisco, USA

Ms. Rini Antony
(MBA Tech – Mechanical, 2019)
Industry Manager, Google
London, UK

Mr. Raj Shah
(MBA Tech – Manufacturing , 2013)
Co-Founder and Managing Director,
WeHear & COSMO Group

Mr. Karan Patel
(B. Tech – Electronics, 2011)
Associate Director, KPMG Advisory
Services

Mr. Pallav Kumaria
(B. Tech – IT, 2010)
Principal Engineer, Newmark
London, UK

Mr. Ankit Arora
(MBA Tech – IT, 2009)
Head of Investor Relations & Treasury,
Arvind Fashions Ltd

Mr. Jash Shah
(MBA Tech – Mechanical, 2018)
Founder and CEO, Get-A-Way

Mr. Gaurav Munjal
(B. Tech - Computer Engineering, 2012)
Co-Founder and CEO, Unacademy

Mr. Aditya Shukla
(B. Tech – EXTC, 2012)
Senior Software Engineer, Oracle
Boston, USA

Mr. Gaurav Virendra
(MBA Tech – IT, 2009)
Vice President, JP Morgan Chase & Co.

Mr. Ajitesh Anand
(B. Tech – EXTC, 2010)
Principal, Arthur D. Little

Ms. Tista Das
(B. Tech – IT, 2014)
Senior Frontend Developer, IBM

Ms. Ruchi Adhikari
(MBA Tech Telecommunication 2014)
Senior Manager : Siemens,Germany

Dr. Saloni Gandhi
(MBA Tech, 2009)
Team Lead, Brand Solutions, Sony
Pictures Networks India

Ms. Rishika Jolly
(B. Tech – IT, 2010)
Senior Manager, Morgan Stanley

Mr. Meet Pagaria
(B. Tech – Civil, 2020)
Founder & Director
Pagaria Infrastructure
