

PLACEMENT REPORT

MBA TECH 2022 - 23

OVERVIEW

NMIMS has always thrived to define the new era as an amalgamation of Technology and Management. MBA Tech programme at MPSTME has understood the current dynamics of business of the 21st century and linked it successfully to develop and help students link the technology know-how to management concepts which has benefitted them to perform efficiently and effectively. This course has not only linked technology and management but is preparing students to head for the future through **Innovation, Creativity** and encouraging **Entrepreneurship**.

The MBA Tech is an integration of technology and management with the higher proportions of technological inputs in the initial stages and moving towards 'Technology Management' in the later stages of the course. SVKM's NMIMS has a reputation of producing the brightest students. In line with this legacy, the faculty members of MPSTME programme are characterized by high levels of learnedness and orientation towards research. They work hard to extract excellence from the students.

MESSAGE FROM DEAN

Dean's Message

The Mukesh Patel School of Technology Management & Engineering is founded on the principles of imparting quality education to students and grooming them to be practitioners of what they are taught. The evolution of the School as an institution of prominence in the country today is primarily due to the pedagogy that is innovative yet grounded in reality and a strong industry participation in all strategic and decision making processes. The School has a firm focus on experiential and project based learning and ensures that its graduates are given the space to build on their inherent strengths through the learnings based on a robust curriculum in a multidisciplinary culture. Despite the challenges in the markets we have come out with flying colours, posting 95% placements with the other 5% opting for higher studies. More than 272 companies participated in the recruitment process and were happy with the industry ready talent. This is a testimony to the confidence exhibited by our recruiters in our graduates and their continued support over the years. I would like to thank all the recruiters – new and loyal – for their continued patronage to campus engagements and placements. I am sure our students would contribute immensely to their organisations and make us proud.

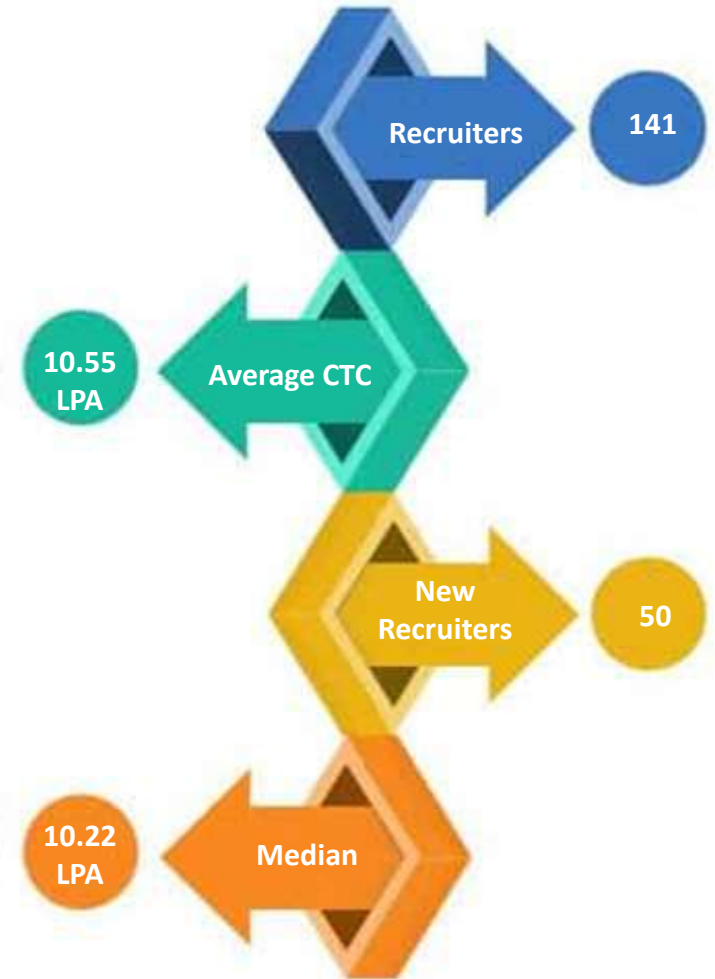

Dr. Alka Mahajan
Dean – MPSTME, NMIMS
