Feedback from Recruiters

➤ Very positive Campus. Really impressed by the hospitality and interactive students. Wish the students and faculty very bright future & success. Impressive level of hospitality, infrastructure, and conduct. You surely set high benchmarks in competitive environment.

Ernst & Young

➤ It was a wonderful experience. Excellent planning& execution for the day. Impressed. The students are smart & tech savvy. Looking forward to many more interactions with this esteemed University. At the last and most important point, this institution has one of the best pool available in this country. Eagerly waiting to visit this campus again

Accenture

➤ A good conversion this year too. Looking forward for a fruitful relationship like always. Standards are increasing year on year. Keep it up!!

TresVista Financial Services

➤ Very happy to interact with this batch. Hoping to see the same quality of students every year. The online arrangements made by the team were also commendable.

IngramMicro

Feedback from Recruiters

➤ NMIMS offers the best engineers. Our organization has been associated and is hiring from past many years and the outcome has been very fruitful. Looking forward for a long term association.

MAQ Software

➤ The experience gets better year on year. Students performed very professionally during the virtual recruitment drive. The association has always been fruitful.

Book My Show

➤ Students have a good aptitude for learning. The quality is improving year on year. Very well organized virtual recruitment drive.

Saint Gobain

➤ We really appreciate the coordination and support provided by the students and T&P department. Excellent experience. The students are enthusiastic and have always shown their willingness to learn more, while working with us.
