**PLACEMENT BROCHURE 2018 - 19**

#### **VISION**

We believe that learning is most fruitful, when knowledge and expertise of individuals from various disciplines and diverse backgrounds are shared. As this provides a cutting edge to professional education, we encourage such diversity, which is reflected in the composition of the student body of the university. We also believe that innovation is the key to progress in the modern world, so in our pursuit of excellence, we constantly upgrade and add newer areas of education and research to make our Programmes more relevant to the stakeholders. Most importantly, we believe that openness participation and fairness are necessary for building up culture conducive to learning and growth.

#### **MISSION**

To be a vibrant and innovative center for education, research, executive training and consultancy in Management, technology, sciences and emerging areas of higher education, to develop a cadre of socially Responsive managers, technocrats, entrepreneurs and professionals, thereby fulfilling the contemporary needs Of the industry, business, government, voluntary service organizations and community at large, both nationally and internationally.

#### **BELIEF**

To impart quality education and training and to carry out research and consultancy in consonance with the vision of the University, by providing state-of-the-art infrastructure and a learner friendly atmosphere in synergy with Innovative pedagogy and global networking, to produce world class and socially responsive academicians, leaders and practitioners, in various disciplines; thereby emerging as one of the prime Universities in the Asia Pacific Region by the year 2018.

The journey of NMIMS from a management institute to flourish into a University has been magnificent. Students who have been a part of this journey have relished the culture of competitiveness, excellence and the spirit of enterprise. NMIMS have strived throughout to have a positive influence and impact on the lives of its students and will continue to do so as it transcends. In over three decades of its resplendent history, NMIMS has been the alma mater for several eminent and successful professionals, entrepreneurs and industrialists around the globe. With its consolidated strengths and a bunch of decorous traditions, NMIMS continues to pioneer education to accomplish its vision of becoming the principle center of excellence in management learning and innovation. Even as we move towards becoming one of the most inclusive Universities in India, welcoming students from around the world to excel in a multitude of disciplines, we continue to be driven by a conscientious blend of socially sensitive and aspiring students. All across NMIMS in its various schools, the emphasis has been and will continue to be laid on adopting a holistic approach in developing the students into individuals who, along with being globally competitive, will be sensitive towards the realms of society and environment. Imparting academic depth with soft skills, co-curricular and personality development has been the principal strength of NMIMS and all its programs. The comprehensive learning and value based environment will propel the students to become creative, innovative and socially aware leaders of tomorrow, who will significantly contribute and influence growth in the organization they join. The dynamic environment of the industry which metamorphoses and becomes competitive by the minute, challenges the managers and leaders to influence and fabricate such actions that will help their companies to achieve eminence. It gives me an immense sense of pride and joy in proclaiming that NMIMS continues to be a trustworthy source of talent, who by leveraging their well nurtured aptitude and high level of competence are not only able to meet the requirements of the industry but are helping it reach greater heights

**Shri Amrish Patel**  
*Chancellor*

In this fast paced competitive world, industry requirements keep changing. Most organizations seek people with conceptual, practical knowledge and their ability to innovate. Mukesh Patel School of Technology Management and Engineering (MPSTME) aims at fulfilling this requirement making the students industry ready.

In MPSTME, the curriculum is updated regularly to enhance the skills of our students. It is continuously monitored by experts from the industry who make suggestions to cater to the current industry needs. Value added training modules of Oracle, EMC, and Cisco are also offered as a part of the course subjects. The curriculum is formed in a way such that a mix of theory and practical knowledge is provided with a strong focus on industrial application. State-of-the-art equipment along with modern facilities are provided to develop programs based on industry needs and developments in technology.

Through the course, MPSTME maintains strong and extensive industry links as well as professional and commercial connections. MPSTME graduates learn subjects across departmental boundaries and excel in extracurricular activities, Students are encouraged to participate in various seminars, workshops, webinars and training programs to further enhance their technical, communicational and managerial skills. This mix of technical and managerial skills allows an MPSTME-ian to become an invaluable asset to any organization he/she works for.

NMIMS's Mukesh Patel School of Technology Management and Engineering has been graded amongst the finest institutions among the upcoming technical institutions in the country which is evident through the survey published by GHRDC. As per GHRDC-CSR Engineering college survey 2014, NMIMS - MPSTME has been moved from category of "Emerging Engineering College of India" and we have gained a place in the category of "Top Engineering Colleges of Excellence in India". The college has been ranked 10th in category of 'Top Engineering Colleges of Excellence in India' and 5th state-wise in the Maharashtra state.

Whether you are young or old as a company, a regular recruiter or a first time visitor, a startup or an MNC, a coal mining or data mining company we have the right engineer scientist for you. If the job is offered in the financial, marketing sector or the R&D sector, MPSTME still has the perfect engineer that matches your profile.

Students now await an opportunity to excel and make their mark in the corporate world. Thus, we welcome you to our campus for the placement process of 2019 giving you access to our current batch of bright and enthusiastic students who will be graduating in 2019. These students are full of zest and are ready to excel in all spheres of life. Our students have grounded themselves into professionals possessing excellent technical knowledge and high zeal for innovation

**Dr. Rajan Saxena**  
**Vice Chancellor**

## ACCREDITATIONS & RANKING

- Accredited by NAAC with 3.59 CGPA and Grade A+ in the 3rd cycle
- Ranked 2nd in Maharashtra state and 13th in Top Engineering College of Eminence in India - Competition Success Review (CSR) - Global Human Resources Development Center (GHRDC) Engineering Colleges Survey 2017.
- Ranked 11th in Top Private Engineering Colleges, West Zone in India and ranked 53rd in Top Private Engineering colleges in India as per "The Week Engineering Survey, June 2017."
- 58th Rank - Top 150 Engineering Institutes across India - Times of India Engineering Institute Survey 2018.
- 42nd Rank - Top 100 Private Engineering Institutes across India - Times of India Engineering Institute Survey 2018.
- Conferred best emerging institute at "9th Stars of the Industry Group Present Innovative Education Awards ceremony at Taj Lands End, Mumbai on 18th February, 2017."
- Team AUV (Automated Underwater Vehicle) from MPSTME consisting of 7 students under the guidance of Prof Vinod Jain, Head of Mechatronics Department, was ranked 4th at International Singapore AUV Challenge

ABDULLAH GÜL  
ÜNİVERSİTESİ

## From the Pro Vice Chancellors Desk

“MPSTME's students enjoy the unique privilege of being in an institute that lays emphasis on all-round growth. With the academic rigor that comes as part and parcel of the NMIMS tradition, the industry exposure through internships in leading organizations and institutes, and also through the extra-curricular and co-curricular activities that are ongoing throughout the year, MPSTME students acquire the requisite soft skills as well as educational and technical foundation along with experiential learning, to make a significant contribution to the industry.

The achievements of students in National and International Conferences, projects of international repute such as the NASA Moon buggy Race, as well as in events of international importance and social relevance, such as the Harvard MUN year after year, proves that MPSTME students are ready to take on the challenges facing the world.

At MPSTME, students are encouraged to inculcate an Entrepreneurial Spirit in them. As a result of this initiative a group of enthused students have formed ENACTUS MPSTME which is committed to using the power of entrepreneurial action to improve the quality of life and standard of living for people in need. ENACTUS MPSTME was appreciated by renowned names from the corporate world at the panel. The team has also won the KPMG Ethics Grant Award. Amongst the other accolades students have won the Goggle Global Award for the Marketing Challenge, Moon Buggy competition conducted by NASA, and Design competition conducted by ASCE.

Every student of NMIMS's MPSTME is a young leader, ready to fit into the big shoes and shoulder bigger responsibilities. MPSTME invites industry to engage our students who are future leaders.

### **Dr. Sharad. Y. Mhaiskar Pro Vice Chancellor, NMIMS**

Dr. Sharad Y. Mhaiskar, Dean MPSTME: DNA and STARS GROUPS, which recognizes excellence in education by giving Innovative Education Awards to Institute and Individuals. Dr. Sharad Y. Mhaiskar, Dean MPSTME has received the “BEST DEAN AWARD” by DNA& STARS Group at TAJ Lands' End, Mumbai on 18th Feb 2016.

## From Dean's Desk (Mumbai MPSTME)

The ever changing dynamics in the industry as a result of the latest technological advances require the academic institutions to groom its students to be industry-ready. MPSTME recognizes these expectations and designs academic programs imparting skill sets needed to be applied and practiced by its students as professional engineers when they join the industry.

MPSTME provides an exciting environment in which faculty, staff and management work towards dissemination of the latest technical know-how to students aligning with the industry needs. Teaching learning processes that are on par with the best of the institutions around the world, futuristic laboratories established in association with the industry giants, experiential learning through conduct of practical classes with modern equipment, practicing with the latest software and exposure to international events are some of the value additions that the institution equips its students apart from teaching sound fundamentals of engineering.

MPSTME believes that the qualities imbibed in its students will not only establish them to be competent professional engineers but will also help them to be responsible global citizens contributing to societal good.

**Dr. N. T. Rao Dean, MPSTME - NMIMS**

*Aim for success, not perfection. Never give up your right to be wrong, because then you will lose the ability to learn new things and move forward with your life. Remember that fear always lurks behind perfectionism.*  
-Dr. David M. Burns

## From Director's Desk (Shirpur)

Dear Recruiter, Greetings from SVKM's NMIMS!

Welcome to your preferred destination for the past several years. SVKM's NMIMS has a rich tradition of pursuing excellence and has continually re-invented itself in terms of academic Programmes with practical exposure and tremendous research infrastructure to align best with your specific demands in present and future. SVKM's NMIMS has established itself as one of the premier institutes of India. Our alumni have made their impact in various organizations and their achievements stand as a testimony to our endeavor and vision.

SVKM's NMIMS takes pride in producing industry trained students, an outcome of our professional education system which includes the finest Lab facilities, thus ensuring our students achieve excellence in their chosen fields. We, at SVKM's NMIMS Shirpur, nurture our students in an environment that ensures rigor, encourages team work and extracts excellence. The curriculum and pedagogy are tailored to develop students with best technical education and practical experience.

With the view of inculcating, sharpening technical skills, students are encouraged to actively participate in number of forums. We have student chapters of the professional associations. To name a few, Institute of Electrical and Electronics Engineers (IEEE), Association of Computer Machinery (ACM), Indian Society for Technical Education (ISTE), Institution of Electronics and Telecommunication Engineers (IETE), Computer Society of India (CSI), etc. Students organize their own Techfest 'AMBIORA' every year. Our efforts are recognized by outside world and recently Mukesh Patel Technology Park (MPTP) has been awarded as 'Best Educational Campus' by Dewang Mehta National Education Awards. MPSTME, Shirpur Campus has been awarded The Golden Globe Tigers 2016 Education Leadership Award for Best Educational Institute in Engineering at Kuala Lumpur, Malaysia on 11th April, 2016.

Our strength is the happy blend of world class infrastructural facilities, highly trained and experienced faculties and enthusiastic students. We confidently offer you the best human resources which are at par in knowledge and skills. These students can be an asset to the esteemed organization of yours.

I extend a sincere invitation to you to visit MPTP Shirpur Campus, and interact with our graduating students and faculty members to learn more about us and to explore the possibility of working together to create and serve the nation in better format. I am sure that the organization, our students join, will add increased productivity and match the expectations.

I wish all the best in placements 2018-19.

**Dr. R.S. Gaud Director – Shirpur Campus Director, Pharma Institutions – SVKM**

*"I can't change the direction of the wind, but I can adjust my sails to always reach my destination." – Jimmy Dean*

## From Chairman's Desk - B.Tech Placements

The Placement Season for the academic year 2017 – 2018 has come to a successful closure which is a testimony of faith that the corporate world devours in NMIMS's MPSTME. We are thankful to all our recruitment partners for their presence on the campus and selecting our students to strengthen their human resource.

The highlight of the season was the International opportunities extended in the Manufacturing and Information technology Domain. Students from mechanical & Computer Engineering domain ensured that they start their careers directly at Global Locations like Tokyo, Belgium, etc.

We express our heartfelt gratitude to our loyal recruiters that have been hiring our B.Tech students since the inception of our course. To add to this, the presence of more than 38 companies for the very first time is the sign of growing confidence and belief in the student's capability that graduate from MPSTME.

MPSTME saw presence of top notch recruiters from the investment banking, financial services companies like Nomura, Tresvista Financial services, Halftick, Futures First, Interactive Brokers, Dolat Capital and product development domains like Informatica, Talend, Yodlee, Media.net, Odessa Technologies, Zycus, NSE Infotech, Tavant Technologies, etc vying to lure talent that SVKM's NMIMS MPSTME has become synonymous with.

Students who were looking to make a mark in the domain of Risk/Consulting, Cyber Security, GRC, and Business Technology were greeted with opportunities coming to them from global consulting firms like ZS Associates, KPMG, E&Y etc. Companies extending opportunities in fast growing analytics firm like Acrotrend, Fractal analytics, etc. Presence of Conglomerates like Reliance Industries Limited and increase in companies from the EPC & Manufacturing domain like Shapoorji Pallonji, Daikin, Bluestar, Sanmar, Vas Infra, Mahindra Susten ensured that the Pedagogy followed at NMIMS – MPSTME is in line to industry expectations.

Companies from the Textile domain like Morarji textiles, DWPL, Anubha Industries, Sutlej textile & industries Ltd, etc marked their presence for the very first time for our Textile engineering students.

25 companies marked their presence on campus to hire the MCA candidates for the six months internship that helped our students experience the corporate culture first hand and work on real time projects thus developing their problem solving skills. Many of these companies have gone ahead to extend PPO to our students. Companies like Nomura, BNP Paribas and Asian Paints ensured they are on campus on an early date to not lose out on the programming talent available at MPSTME.

It was placements galore for NMIMS - MPSTME as the student's across all the streams received employment offers from several of the country's best recruiters in the IT services domain including names such as Accenture, IBM, and Capgemini etc. among many other renowned names.

We at MPSTME are confident that the students that graduate in May 2018 will perform exceedingly well in the corporate world and carry on the legacy set by their alumni.

I invite the industry to be a part of our placement season for the batch of 2018 - 19. We are confident of providing you the future industry leaders.

**PROF. NIKHIL GALA: Chairman** – Corporate Relations & Placements and Faculty

EXTC Department has been selected for the "International Visitor Leadership Program" (IVLP) at all-India level by U.S. Department of State, from 7th to 25th March, 2016. This was a Single Country Project on "Improving Vocational Education and Skills Development".

## International Winners & Achievements

**Google Ambassador Batch 2018:** Google is spreading awareness in Indian Computer Science campuses, named “Applied Computer Science with Android”. For the year 2017 – 18 we have Ms. Divya Nair - 3 Year B.Tech IT and Mr. Jinam Shah – 3 Year B.Tech CS as the Google Ambassador.

## National Winners

• Civil Engineering students **bagged 8 awards (including 3 first prizes)** at American Society of Civil Engineers annual conference - VIT University Vellore; March, 2018

## Projects / Social Contribution

Projects under Patched, Parivartan, Vishuddh&Zeen. To date, Enactus MPSTME has transformed the lives of over 30 women. Through Patched, 15 women have seen incomes increase by almost 175%. 3 women have completely exited from the trade and started their own ventures. Through Parivartan, 17 beneficiaries have seen a 48% income increase in 4 slum communities. This is just the beginning...

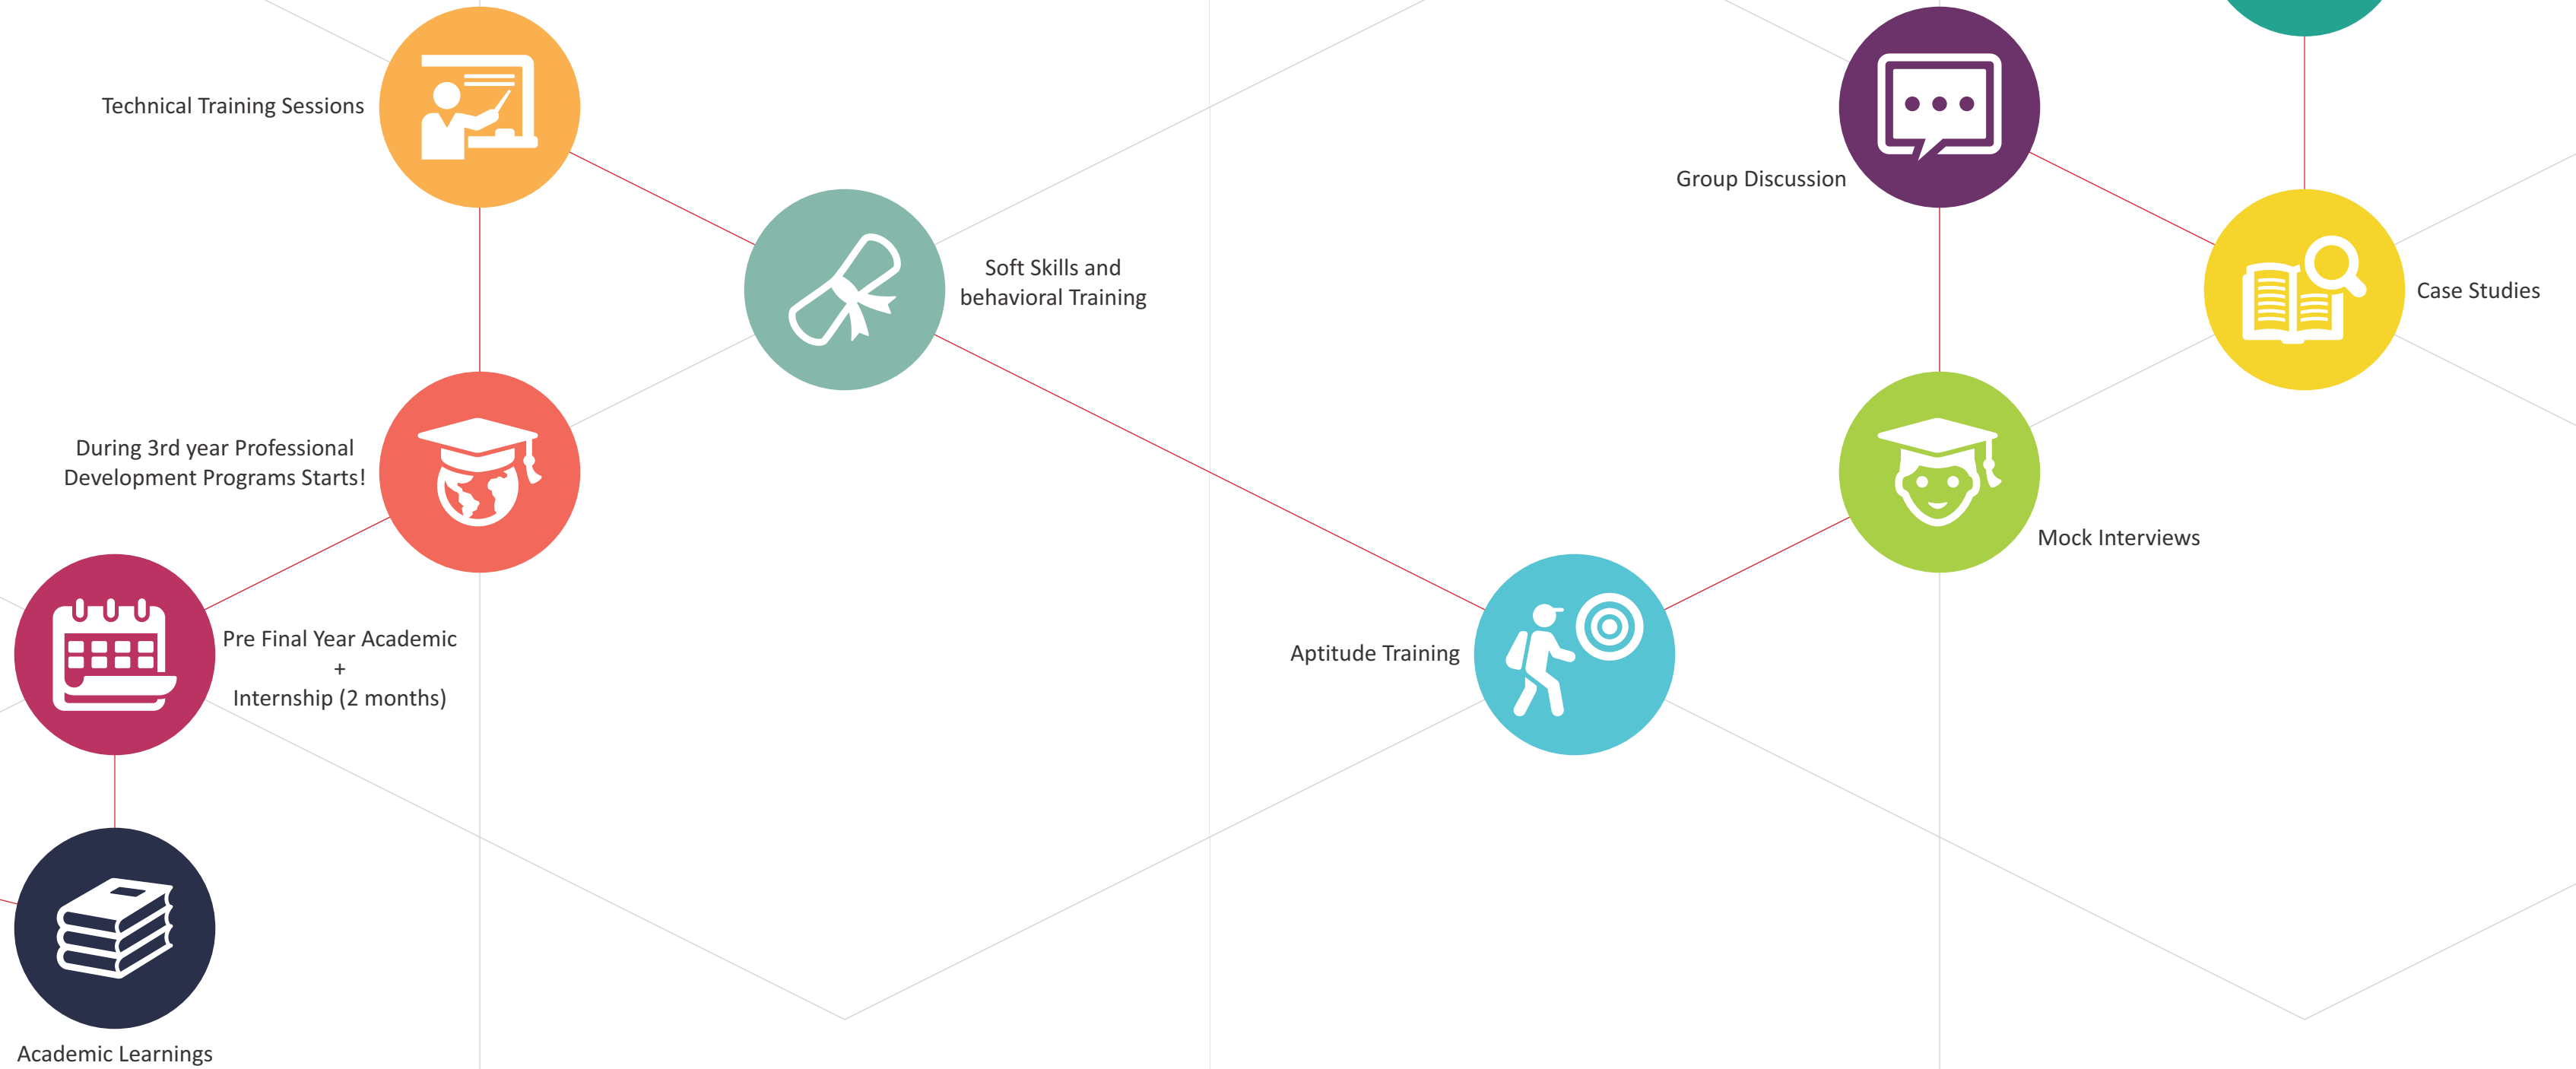

## Employability Training Sessions

B.Tech Placement Cell emphasis on organizing sessions on Aptitude, Technical and Soft Skills Training, webinars, Campus connect sessions, guest lectures, etc.

- Internships: We believe that brief positions outfit the student with a colossal opportunity to explore the honest bits of learning in the corporate world. Which is an essential piece of a student’s scholarly accomplishments.
- On Campus Soft Skills Training: These session help the students to develop their interpersonal skills and improving following factors effective Resume Building, Understanding Corporate Environment , One to One Mock Interviews + Negotiation Skills, Corporate Etiquettes, Listening Skills, Presentation Skills and understanding the types of Interviews
- Campus Connect Sessions: These sessions are organized in association with INFOSYS which covers training on JAVA, OOPS, DBMS, RDBMS, SE, IUWT and PYTHON.
- Group Discussions: These training helps students to be impromptu and alert to enter the discussion in the room. Also help them improve and enhance Attitude, listening, Leadership and awareness.
- General Aptitude Training: These training includes general Aptitude, logical reasoning and Quantitative analysis. It helps them you sharpen their skills and industry ready for the placement Season.

### MPSTME-Shirpur is an AICTE Approved Integrated campus with:

- State of the art Residential campus equipped with world class amenities including separate girls and boys hostels, gymnasiums, sick bays & Battery vehicles for within the campus commuting
- Modern and well equipped laboratories with Robust and scalable IT infrastructure
- Institutional chapters and branches of all international and national professional societies
- Most modern & advanced ICT and pedagogy of Teaching Learning Process
- Experienced and Dedicated faculty
- Continuous evaluation and cumulative grading system
- Teaching scheme updated as per industry needs on a regular basis
- 24 x 7 academic support; Library and high speed wi-fi facility
- Regular TECH talks and workshops on modern tools and practices by eminent industry experts.

#### Co-Curricular Activities

**CORPORATE RACE:** This event aims to brush up the management skills of students. It is an on the spot event in which a person's communication skills, presence of mind and knowledge are checked. Students have to come up with the most lucrative solution in tough situations.

**B-PLAN:** BUSINESS PLAN is a simulation of actual corporate life that our students will face once they join the industry. It lays emphasis on developing communication skills and the way they adjust to the ups and downs that the industry faces.

**AMBIORA** (A National Level TECHFEST): AMBIORA is a technical fest conducted under SVKM's NMIMS MPSTME (Shirpur campus). It is aimed at mobilizing keen minds from engineering institutions. The fest aims at inspiring students to think and develop their technical strengths. The prime objectives of Ambiora are think logically, be conceptual and remain simple.

### Extra-Curricular Activities

**PROTSAHAN:** It is a national level cultural, technical & sports festival organized by NMIMS at the Shirpur Campus. Students from all over India participate in this fest. The main attractions of the fest are the celebrity performances, professional singers and bands who are invited to perform at the festival.

**NM-MUN:** The Narsee Monjee Model United Nations Conference is an event that is organized annually at the Shirpur Campus. The event is organized by the students of this campus and provides students with a simulated environment of how the United Nations and the bodies associated with it work.

**PPD CELL:** The Professional Personality Development (PPD) cell is a unique, dynamic and innovative student based organization. Its core objective includes complete transformation of a student into a professional individual. It strives to achieve this by conducting diverse spectrum of events, workshops and boot camps, which will result in the ultimate personality development of students, thereby making them competent to make exponential progress in their respective fields.

### Achievements of the Campus

- Recipient of "The Golden Globe Tigers 2016 Educational Leadership Award" for Best Educational Institute in Engineering.
- Winner of Dewang Mehta National Education Award for "Best Educational Campus-2015".
- Ragging free, smoking free & Alcohol free campus for last many years.
- International Placement with highest package of 30 Lakh in 2015-16.
- Average salary of Rs. 6.5 Lakh for MBA Tech students.
- Many successful startup initiatives through IEDC Centre of the school.
- Active QEEE partner of IIT Madras.

## Placement Procedure

The Placement Season begins in the month of July every academic year...

Final Placement Process: (B.Tech | M.Tech | MCA)

- End to end Recruitment Process Support
- Shortlisting of candidates profile according to the Criteria, Eligibility and requirements of the Company
- Placement Drive hosted in the Campus / Company site
- Final offers presented to the students

## Internship Placement Process: (B.Tech | M.Tech | MCA)

B.Tech: Summer Internships - duration 2 months;

Mid May to Mid July every Year

M.Tech (2nd Year) : Year Long Project - July to May

MCA (3rd Year) : 6 months Internship - Jan to June

## Placement Response Sheet

Campus Recruitments B.Tech | MCA | M.Tech

We are pleased to inform you to be associated with SVKM's NMIMS University's Mukesh Patel School of Technology Management & Engineering

We would be interested in recruiting students for (please tick):

- Final Placements     Technical Internship

We would be visiting your campus for: Pre-Placement Talk on (Date) \_\_\_\_\_

Recruitments on (Date) \_\_\_\_\_

We would be interested in selecting students from the following Courses (please tick):
