Dear Madam,

Thank you very much for this positive feedback. I am very happy to know that the session went well and has covered the required details.

Will be happy to help you in case of any such requirements in future.

Rgds

Amey

Hello Amey,

Today's session went very well. It was very informative and widened our perspective towards Green and Sustainable Building in practice.

Mr. Pankaj covered up aspects which can only come from experience from industry and field. This provided the students with a much better idea about the topic beyond the theoretical concepts that we usually cover.

Thanks for introducing us to Mr. Pankaj and it was indeed a great help.

Thanks and Regards

Darshana Lade

Dear Madam,

I have checked with Pankaj and he is ready with the session content and also has received the teams invite sent by you.

Since the invite has not been shared with me, I am presuming that you are OK with Mr. Pankaj conducting the session independently.

You may call me on my cell if you face any difficulties in connecting with Pankaj or otherwise.

Rgds

Amey.

Dear Madam,

Greetings...

Thanks for your email and content is fully noted.

Excited to know that Green Building is an elective subject in the curriculum. It would be a good opportunity for me to get connected with builders of tomorrow having sustainability at the back of their minds.

Thanks for appraising me, I will try to address the subject as intended for.

I have blocked my calendar accordingly.

Thanks & regards,

Pankaj Kasture

Good afternoon sir,

Thanks for agreeing on taking the session on Green Building.

Briefing about the program and subject, we at Mukesh Patel School of Technology, Management and Engineering, Civil Department, final year of Btech (civil) have Elective subject on Green Building. As a part of curriculum, various topics like green building concept, history, various certification agencies and rating systems, etc are covered in the lectures.

Furthermore for students' benefit and understanding the whole process of Green Building and Certification in actual practice, I wish to conduct a session which gives an industry perspective on the subject.

I have scheduled the session on 8th September, 2020, Tuesday between 10:00 am to 12:00 noon as I mentioned in my mail to Mr. Amey.

Thank you and Regards,
Darshana Lade

Dear Mr. Pankaj,

I take this opportunity to introduce Prof. Darshana Lade of Mukesh Patel School of Technology, Management and Engineering (NMIMS) who is coaching the final year civil engineering students in the Green Building subject and have requested us to arrange for the session on 8th Sept.

[@Darshana Lade](#)

Dear Madam,

Mr. Pankaj Kasture is the GM -Projects with LCES Pvt. Ltd. and has been instrumental in the facilitation process of our Green Building certification for Mysuru and Vizag plants of APL.
He can be reached on his cell – 9820797144 for any further briefing that would be required on the session which has been planned on 8th sept.

I will anyways be coordinating for the session and will be present during the session.

Rgds,

Amey
