SVKM's NMIMS Deemed-to-be University

MUKESH PATEL SCHOOL OF TECHNOLOGY MANAGEMENT & ENGINEERING

M.Tech – Data Science / M.Tech. – Artificial Intelligence Programmes (Batch-2026)

Information Handout

1. **Introduction:**

   NMIMS Deemed to be University (as per UGC / AICTE Norms) has launched the postgraduate M Tech – Data Science (Business Analytics) and M Tech – Artificial Intelligence programs at Mukesh Patel School of Technology Management & Engineering, Mumbai campus. It is two years, full-time PG degree. The course has been tailored by leading academicians and experts from the industries. The emphases have been given to the latest developments in industry, wherein expertise is required. This Handout gives information about the admission procedure and admission test for the two-year M Tech – Data Science / AI for the academic year 2026 Batch.

2. **Program & Campus:**

Specialization	Campus
M Tech - Data Science (Business Analytics)	Mumbai
M Tech - Artificial Intelligence	Mumbai

   Note:
   *Program will commence only if there are a minimum of 10 eligible candidates admitted after the selection process.
   Admission for M Tech – Data Science (Business Analytics) and M Tech – Artificial Intelligence programs through **Entrance Test** & **Personal Interview** conducted by NMIMS

1. **Eligibility Criteria**: **(Fulfillment of all / applicable conditions mandatory) It is the sole responsibility of the candidate to check his/her eligibility before applying for the course.**

   3.1   Candidate must have a minimum aggregate 50% marks or CGPA>2.0 out of 4 in B.Tech. / B.E. (all streams) or M.Sc. – Maths, Statistics, Computer Sciences, IT, Electronics or MCA or AMIE or any other equivalent UGC approved qualification for MTech.

   3.2   Candidates should mention in the online registration / e-admission form (if selected) all the subjects which the candidate has taken & appeared for (not best of four, five, six or seven). The candidate shall have passed all the subjects, which he/she has taken & appeared for in the applicable examination/s. The aggregate percentage of all subjects which the candidate has taken & appeared for will be taken into consideration for confirming the eligibility of the candidate for the program at the time of admission.

   3.3   In case the mark sheet issued by the applicable board / University is in percentile/s or Grade point, the actual aggregate percentage of all subjects appeared by the candidate will be taken into consideration.

3.4 Candidate awaiting the results of the final year examination may also apply, and the examination should have been conducted before the program commencement date. If selected, provisional admission will be given, subject to clearing the final examination.

3.5 Candidates called for admission based on the merit list and who do not have a final marksheet will be given "Provisional Admission". Fees will be accepted from such candidates, but their admission will be confirmed on submission of the final marksheet on or before 30th September'2026. The candidates' admission will be revoked if they fail to present the mandatory documents as specified.

3.6 Submission of AIU equivalence certificate to confirm eligibility for the program is mandatory for those candidates who have completed their examination from Overseas Universities. Applicable to candidates of distance learning/ correspondence course/ open school too, who have completed their examination from overseas boards / Universities. If the AIU is not submitted, then the candidate will be considered as **not eligible**.

3.7 Candidates who have cleared their graduation by doing a part-time course or through distance learning, correspondence course externally, or open school from a recognized University are eligible to apply & register as per UGC guidelines.

3.8 Candidates whose final mark sheet of the qualified examination is not available at the time of their provisional admission are required to submit their final marksheet copy as soon as the result is declared. In such a case, if the candidate fails to meet the required eligibility criteria, then his admission will be cancelled, and the fees will be refunded as per UGC norms (even after course commencement).

3.9 The Graduation (Qualified) examination should have been conducted before the course commencement date. Candidates who have passed or have appeared for graduation examination from a university where a grade point average is given must produce the equivalent percentage for the GPA/CGPA obtained in writing from the respective university.

3.10 Mark sheet / Transcripts issued by Board / University only be considered (School / Institute will not be accepted).

3.11 It is the sole responsibility of the candidate to ascertain whether they possess the necessary and requisite qualifications and eligibility for admission to courses at NMIMS University, as verification of the document is done at the time of admission. If found not eligible during the year, admission will be cancelled, and a refund as per the UGC norms.

3.12 The admission information handout's eligibility requirements will serve as the only document for program eligibility. The school's brochure or prospectus will only be used as a guide and not be used to refer to eligibility.

3. **Admission Process:**

M Tech – Data Science (Business Analytics) / M Tech – Artificial Intelligence 2026			
Step 1	**Step 2**	**Step 3**	**Step 4**
Initial Registration, Pay the application fee and complete the process	Download call letter & Upload required documents for Test & PI	To appear Entrance Test & PI	To complete admission formalities
