

## Report on Horizon 2023

Under the mentorship of Prof. Deoyani Joshi and Dr. Jigisha Vashi along with support of Head of Department Dr. Meenal Mategaonkar Team CESA (Civil Engineering Student Association) 2023-24 Event of "Horizon 2023" was successfully organized and executed on 15th September 2023. Horizon is an event organized by Team CESA since 2015 on occasion of Engineer's Day in memory of Sir Mokshagundam Viswesvaraya birth anniversary. This year Horizon was categorized in two verticals, one a technical event followed by an expert guest lecture.

In technical Event the competition was held in domain of Interior design and entries were received within as well as from other institutes. The team of 2 students each were asked to formed. Each team was provided with pre-packaged logistic kits. They were supposed to make a room and following the principles of space management they have to design the interior for the room. The first part of evaluation was on making the 2D sketch and the second part of evaluation was the 3D model. The event was judged by Prof. Darshana Lade and Prof. Preeti Shrivastava. The expert guest lecture was presented by M. Pankaj Vora, CEO Sowil India. He explained the application of various Modern Construction Techniques adopted in large scale infra projects and also guided the students about various opportunities and domain in which the students can excel.

**ENGINEERS DAY EVENT.**

- Meme Making competition
- Interior Designing competition
- Guest Lecture by Industry Specialist

11AM - 12PM  
Soil Lab,  
SBMP building

3.30PM TO 4.30PM  
CR 73

DATE: September 15, 2023  
TIME: 11pm - 5pm

FOR REGISTRATIONS CONTACT :  
PARUL : +91 83560 90654 NYLA - +91 93275 40511

**\*Title:\* Creative Sparks Ignite at NMIMS's MPSTME Interior Design Event**

In a vibrant display of creativity and innovation, the CESA student chapter at NMIMS's MPSTME recently hosted an exhilarating interior design competition. The event, which encouraged participants to transform a small box into a visually captivating room using unconventional materials like paper, thermocol balls, toothpicks, and wooden sticks, proved to be a resounding success.

Amidst an atmosphere of enthusiasm and artistic fervor, the students showcased their flair for design. The first prize was deservedly claimed by the dynamic trio of Kaushal, Riya, and Aditya. Their creation not only exhibited exceptional aesthetic sensibilities but also highlighted their resourcefulness in utilizing waste materials to craft an inviting space.

Collaboration took center stage as the second prize was shared by a group of talented individuals. Malhar Chindarkar, Vaibhav Ojha, Maulik Kamariya, and Vaibhav Thakkar worked harmoniously to construct an interior masterpiece. Their joint efforts embodied the spirit of teamwork and camaraderie that such events foster.

Beyond the competition, the event itself was a blast, with participants and spectators alike reveling in the creative process. Laughter and excitement filled the air as students embraced the challenge and brought their visions to life. It was a testament to the power of imagination and the joy of hands-on creativity.

Events like these play a pivotal role in nurturing team spirit and strengthening bonds among students. They provide a platform for individuals to come together, share ideas, and collectively create something remarkable. The Interior Design competition at NMIMS's MPSTME served as a reminder that when students collaborate and harness their creativity, remarkable things can happen.

As we look to the future, it's events like these that remind us of the potential within our student body. They showcase the talent, innovation, and teamwork that will undoubtedly shape the leaders of tomorrow. The Interior Design competition was not just a competition; it was a celebration of imagination and collaboration.

In conclusion, the event was an astounding success, leaving participants and attendees alike with a sense of accomplishment and admiration for the creative minds within NMIMS's MPSTME. Such events serve as a testament to the institution's commitment to holistic education, where students are encouraged not only to excel academically but also to explore their creative and collaborative potential. We eagerly anticipate more such events that continue to ignite the creative sparks of our students.

**\*Title: Memes Galore: Engineers' Day Poster Competition at NMIMS's MPSTME**

Following the resounding success of the Interior Design competition, the campus at NMIMS's MPSTME witnessed another wave of creativity and humor with the Engineers' Day Poster Competition. This event, designed to celebrate Engineers' Day with laughter and wit, brought students together to create fun-filled posters that celebrated the spirit of engineering.

The event encouraged participants to let their imagination run wild as they crafted hilarious and thought-provoking memes related to the world of engineering. The campus buzzed with excitement as students brainstormed and designed their posters, infusing humor into every pixel.

The theme of Engineers' Day provided the perfect backdrop for the competition. Students took on the challenge of blending engineering concepts with humor, resulting in posters that not only tickled funny bones but also showcased their understanding of the field.

While we eagerly await the results of the competition and the announcement of the first and second prize winners (insert names here), it's important to acknowledge the overall impact of such events on the student community.

The Engineers' Day Poster Competition was not just about humor; it was a testament to the creative minds that thrive within NMIMS's MPSTME. It demonstrated that engineers are not just problem solvers; they are also creators of laughter and joy.

Much like the Interior Design competition, this event fostered a sense of camaraderie among the participants. Collaborative laughter echoed through the campus as students shared ideas, cracked jokes, and created posters that celebrated their shared passion for engineering.

As we eagerly anticipate the announcement of the competition winners, it's clear that the future is bright for the students of NMIMS's MPSTME. These events are a testament to the well-rounded education and opportunities provided here. They prepare students not only for academic excellence but also for a life enriched with creativity, humor, and collaboration.

In conclusion, the Engineers' Day Poster Competition was a fun-filled extravaganza that celebrated the lighter side of engineering. One thing is certain: NMIMS's MPSTME is a place where students can explore their passions, express their creativity, and build lasting friendships. We look forward to more such events that continue to add color and laughter to campus life.

\*Title:\* A Day of Inspiration and Learning: Mr. Pankaj Vora's Technical Speech

Day 1 of our recent events, held on September 15th, was brought to a magnificent close with a technical speech by the distinguished Mr. Pankaj Vora. His presence and words were a testament to the values of knowledge, leadership, and innovation that we hold dear at NMIMS's MPSTME.

#### \*A Remarkable Journey\*

Throughout his remarkable journey, Mr. Vora's unwavering commitment to his craft, coupled with his innate leadership qualities and technical competence, has allowed him to ascend the ranks of the industry swiftly. His career is not just a timeline of accomplishments but a testament to what can be achieved through dedication and perseverance.

#### \*A Portfolio of Awe\*

Mr. Vora's portfolio is nothing short of awe-inspiring. He has successfully spearheaded a multitude of complex projects, ranging from the creation of Smart Cities to overseeing City Level Urban Infrastructure, Urban Transportation, Buildings & Real Estate, Hotels and Hospitality, Ports, Aviation, and Industries. His expertise extends to the intricate world of Highway and Railway Projects, where he has been instrumental in the development of Detailed Project Reports and the supervision of critical infrastructure elements such as Tunnels, Bridges, and Rail Over Bridges.

#### \*Leadership and Collaboration\*

What truly sets Mr. Pankaj Vora apart is not just his technical acumen but his exceptional leadership skills. His ability to guide teams, manage change effectively, and foster a culture of growth and success is truly commendable. He understands the importance of client satisfaction and has consistently achieved the highest levels in this regard.

#### \*Bridging Gaps\*

Perhaps one of Mr. Vora's most remarkable achievements is his ability to bridge the gap between the public and private sectors. His extensive network and enduring relationships with major stakeholders in government and private organizations have played a pivotal role in shaping India's infrastructure landscape.

#### \*An Inspiring Speaker\*

As the CEO of SOWiL Limited, Mr. Pankaj Vora continues to inspire and lead, guiding his team towards new horizons of innovation and achievement. His journey from Civil Engineer to the helm of prestigious organizations is a testament to his dedication, hard work, and the pursuit of excellence.

#### \*Learning from the Maestro\*

During Mr. Vora's technical talk, students had the privilege of gaining insights into the world of engineering and project management consultancy that textbooks simply cannot provide. His real-world experiences and practical advice left an indelible mark on all in attendance.

Students learned about the importance of leadership, the art of effective project management, and the need for constant innovation in the field of engineering. Mr. Vora's emphasis on client satisfaction as a cornerstone of success resonated with everyone present.

In conclusion, Mr. Pankaj Vora's life and career serve as an exemplary story of what can be achieved through talent, tenacity, and a commitment to making a positive impact on society. It is our distinct

privilege to have him as our esteemed speaker that day, sharing his wealth of knowledge and experiences with us.

#### **\*Title\* A Day of Laughter, Games, and Generosity: The Grand Finale of NMIMS's MPSTME Events**

As the sun set on Day 2 of our events at NMIMS's MPSTME, it marked the grand finale of a memorable celebration filled with laughter, camaraderie, and games that brought students together in the spirit of fun and giving.

#### **\*A Day of Fun-Filled Games\***

Day 2, also the last day of our event series, was a departure from the technical intricacies of engineering and project management, focusing instead on the lighter side of campus life. Students, faculty, and staff gathered for a day of merriment that featured a diverse range of fun games.

One of the highlights of the day was the ever-entertaining "7up 7down." Laughter echoed as participants tried their luck in this exhilarating game of chance. The anticipation of winning and the shared excitement created an atmosphere of pure joy.

Black Jack and Pictionary were also part of the day's lineup, adding an element of strategy and creativity to the festivities. Students tested their card-playing skills in Black Jack and let their imaginations run wild in Pictionary, resulting in moments of both intense competition and uproarious laughter.

In addition to these games, other fun activities, such as a sack race, tug-of-war, and a treasure hunt, kept the energy levels high and fostered bonds among participants. These events served as a reminder that beyond academics, it's essential to cherish the moments of laughter and shared experiences that make college life unforgettable.

#### **\*A Noble Cause: Giving Back\***

What set Day 2 apart was the underlying theme of generosity. All the money collected from the games and activities on this day will be donated to a noble cause. This aspect deserves special emphasis, as it highlights the heartwarming spirit of giving that defines our student community.

#### **\*Making a Difference\***

The decision to donate the proceeds of the day's events reflects the compassion and social responsibility instilled in NMIMS's MPSTME students. It's a reminder that even amidst the fun and games, we remain committed to making a positive impact on society.

#### **\*A Ripple Effect of Goodness\***

The funds raised will undoubtedly find their way to a worthy cause, leaving a lasting impression on those in need. This act of generosity not only benefits the recipients but also serves as a testament to the character and values of our student body.

#### **\*A Heartfelt Thank You\***

In conclusion, we would like to extend our heartfelt gratitude to the faculty and the college administration for their unwavering support in making this event series a resounding success. Your guidance and encouragement have been invaluable in bringing together the diverse talents and passions of our student community under one roof.

Team CESA would also like to express our gratitude to every participant, volunteer, and attendee who contributed to the success of these events. It is your enthusiasm and spirit that made these two days truly memorable.

As we look back on these days of celebration and giving, we are reminded that NMIMS's MPSTME is not just an institution of learning but a close-knit family that values fun, friendship, and the power to make a difference. We eagerly look forward to more such events in the future that continue to enrich our campus life and contribute to a better world. Thank you all for being a part of this wonderful journey.

Warm regards,

Team CESA
