Placement | Batch of 2025

A man with dark hair and glasses is sitting at a desk, looking down at a laptop. He is wearing a light-colored t-shirt under a denim shirt. The background is a blurred library or study area with bookshelves. The entire image has a red color overlay.

Vision

NMIMS will define the 21st Century Technological, Management and Organizational Research, and educate with a view to impact global developments and cadre of employable individuals.

Mission

NMIMS' mission is to provide to the nation, good quality trained human resources who are socially sensitive, have inquisitive minds and the persistence to change their own and the organization's lives, and contribute to making India a knowledge superior power and the world a better place to live. This we seek to achieve through educational excellence, innovative and relevant research, promoting social equality and an outreach program to ensure global access of our learning resources to all students and faculty.

Belief

We believe that learning is more fruitful, when knowledge & expertise of individuals from various disciplines & diverse backgrounds are shared. As this provides cutting edge to professional education, we encourage such diversity, which is reflected in the composition of the student body of the university. We also believe that innovation is the key to progress in the modern world, so in pursuit of excellence, we constantly upgrade & add newer areas of education & research to make our programs more relevant to the stakeholders. Most importantly, we believe that openness, participation & fairness are necessary for building a culture conducive to learning & growth.

SVKM's NMIMS

NMIMS has imbibed the core values of innovation to create Techno-Managers who have the overall knowledge and insights in both avenues to create and re-create business opportunities. NMIMS University stands true to its motto of "Transcending Horizons", where the impeccable blend of technology and management in complete synergy to assist the students to transcend brilliance as the "The Quintessential MBA Tech".

Formed in 1934, SVKM now boasts a world class web of educational institutes imparting competitive skills to more than 40000 students. Narsee Monjee Institute of Management Studies (NMIMS) is one of the premier universities of higher education and research in India, with more than 30 years of commitment to quality education. Today, it stands as a large imposing University with 8 specialized schools, with an intake of over 9000 students and over 300 full time faculty members.

NMIMS has always been a dynamic innovator in the field of educational services and has always catered to the need of the industry by rolling out courses that are the need of the industry. We proudly present to you the best combination of talent that every company would like to avail of - The MBA Tech".

SURPASSING BENCHMARKS... YET AGAIN

- Visionary Leadership • Academic Excellence
- Rapidly growing research output • Committed faculty
- Outstanding contribution of alumni and industry

(Accreditation for Mumbai Campus)

About MPSTME

MPSTME was conceptualized by NMIMS Management as a Unique Technology and Management school essentially integrating technical knowledge with innovative management practices to ensure that the knowledge thus disseminated will produce students that can be game changers in terms of building a sustainable and holistic society. The idea was to ensure that education should not be understood as merely an instrument to build knowledge, but it must also play a pivotal role in creating a better and more humane society. This idea remains germane to the MPSTME philosophy till date and each new integration into the curriculum, technology or research remains well aligned with this very philosophy. MPSTME was essentially established to serve the need of creating an innovative and integrated space for technology education interspersed with sound management practices that converged with changing industry as well as societal needs. The vision was to match the emerging demands in the field by creating holistically trained engineers possessing sound technical expertise as well as a vision to integrate their knowledge into creating technology that serves the changing needs of present world. MPSTME building today, with its state-of-the-art labs and world class infrastructure stands a live testimony to the steady realization of this vision.

Vision

Play a distinct role in providing excellence in engineering and management education thereby creating human resources of value to industry and society both at national and international level.

Mission

- Formulate relevant curriculum through strong industry linkages and interaction
- Ensure quality of education through pedagogical innovations
- Undertake and promote relevant research
- Ensure multifaceted development of students, faculty and staff through continuous introspection and inputs
- Set up the international linkages with Institutes / industry of repute

The MBA Tech Program

The MBA Tech curriculum covers engineering courses in selected disciplines and the management courses relevant to that technology area. It is an integration of technology and management with the higher proportions of technological inputs in the initial stages and moving towards 'Technology Management' in the later stages of the course. SVKM's NMIMS has a reputation of producing the brightest students. In line with this legacy, the faculty members for MPSTME's programmes are characterized by high levels of learnedness and orientation towards research. They work hard to extract excellence from the students.

Vision:

"Nurturing Leaders who can leverage appropriate Technology for Business goals."

Mission:

To become the most preferred institution proving a blend of Engineering, Technology and Management learnings, through

- Continuously evolving curriculum to meet the diverse and distinct global market needs
- Proficient faculty with a blend of industry experience and academic expertise
- State-of-the-art infrastructure
- International linkages with institutes and industries of repute
- Core values of Innovation, Entrepreneurship, Initiative, Collaboration, Excellence and Relationships

Dr. Koteswara Rao Anne

The Dean's Desk

“Welcome to NMIMS MPSTME’s MBA Tech program. This placement brochure highlights how our program prepares you for a successful career at the intersection of technology and management. Our MBA Tech program combines advanced business management education with cutting-edge technological training, positioning you for success in today’s dynamic job market. Our dedicated placement cell ensures strong placement outcomes, with graduates securing roles at leading global companies and tech firms. We offer comprehensive career support, including personalized counselling, resume building, interview preparation, and networking opportunities, to help you achieve your career goals. Strong ties with top companies provide access to internships, live projects, and placement drives, enhancing your career prospects. Gain international exposure through global partnerships and exchange programs, broadening your professional network. Our alumni excel in leadership roles and entrepreneurial ventures worldwide, reflecting the program’s impact and quality. We are excited to support your journey and help you achieve your career aspirations.”

HOD - Technology Management

MBA Tech Program provides a combination of technical skills with business acumen - a combination that is highly valued by employers. MPSTME, MBA Tech offers strong industry Connections, experienced faculty, innovative Curriculum, state of Art facilities and a strong Alumni Network. Engineering students are trained to solve complex technical problems while an MBA(Tech) program trains them to apply these skills to real world business challenges. They are trained to occupy strategic and leadership roles in an organisation. MPSTME, MBA Tech Program Curriculum is designed in a way that students are required to demonstrate higher order thinking skills and therefore trains the students to design innovative solutions to problems.

Dr. Geetha M. Iyer

All the best to MBA Tech Students of Batch 2020-25.

Ms. Aparna Mahesh

Joint Director - Placements

SVKM’s NMIMS Mukesh Patel School of Technology Management and Engineering has been in the forefront of innovation in Technology Management education. Our aim has been to stay relevant to the requirements of society and industry. Our curriculum is continuously updated. It has also resulted in a stronger focus on the skills needed by industry today and in the future. Problem solving, communication, cognitive skills development, and people skills development has been prioritized in the curriculum with experiential based learning. Our students, who represent the top of the national talent pool, will continue to provide value to your organization. It is worth mentioning that recruiters from varied fields have responded very enthusiastically and rated our students very high. Their abilities are well attested by the excellent reports we receive from the recruiting companies. We provide continuous support to the graduating students registered for placement by offering information and guidance. The student clubs and the student administrative bodies organize several events throughout the year to ensure everyone receives ample chances to nurture their talents and gain experience. NMIMS MPSTME, Mumbai invites the recruiters to the Campus Recruitment Drive for Placement Season 2024-25, to give this batch of graduating students an opportunity to prove themselves and to add value to the organizations they join. We assure you that this will be a positive experience for the recruiters and a step forward in improving upon past relations and building new ones. MBA Tech Placement Cell welcomes you to visit our campus, physically or virtually, for full-time employment and internship recruitments. We promise our support and dedication in choosing your future employees and collaborators. Our representatives can assist you in the smooth conduct of the recruitment processes. We follow transparent placement policies and procedures to benefit both students and recruiters. We have the required infrastructure to conduct parallel placement sessions, pre-placement talks, inter B school competitions etc. to organize campus placement activities.

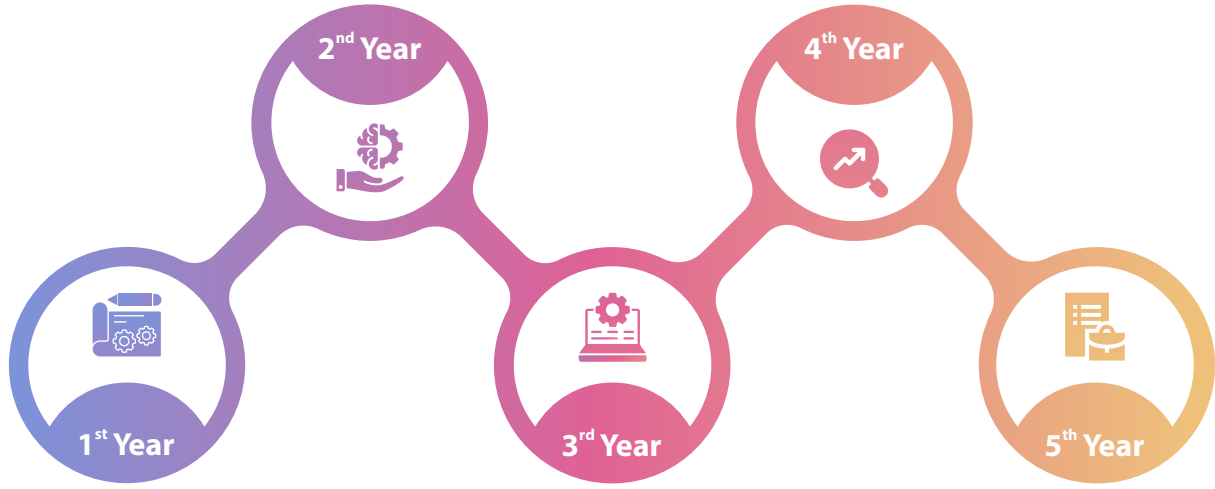

I welcome you to become a part of our campus story and to form a long-lasting association with our institute. We are committed to serve you with the best of our Talent. Looking forward to building a win-win relationship & to meeting your recruitment team at our campus.

Welcome to the Placement Season 2024-25.
