

		admitted in the AY 2018-19 onwards and D to D (Diploma to Degree) students admitted in the AY 2019-20 onwards
	(iv)	Removal of the elective course “Object Oriented Software Engineering” (Department Elective – I), offered in B Tech (Computer Engineering) from semester VI.
	(v)	Revision in the curricula of MBA Tech in Computer Engineering by way of introduction of Teaching & Examination Scheme and Syllabi of Semester VI in supersession of existing curricula, to be made effective for the students admitted in the AY 2018-19 onwards and D to D (Diploma to Degree) students admitted in the AY 2019-20 onwards
	(vi)	Shifting of the course “Advanced Computer Networks” (Department Elective-I), to be offered to MBA Tech (Computer Engineering) from Semester V to Semester VI, to be made effective for the students admitted from academic year 2019-20 onwards.
	(vii)	Shifting of the course “Advanced Web Programming” (Department Elective-I), to be offered to MBA Tech (Computer Engineering) from Semester V to Semester VI, to be made effective for the students admitted from academic year 2019-20 onwards.
	(viii)	Shifting of the course “Advanced Image Processing” (Department Elective-I), to be offered to MBA Tech (Computer Engineering) from Semester V to Semester VI, to be made effective for the students admitted from academic year 2019-20 onwards.
	(ix)	Removal of the elective course “Object Oriented Software Engineering” (Department Elective – I), offered in MBA Tech (Computer Engineering) from semester V.
	(x)	Introduction of the Syllabi and Teaching & Examination Scheme of the following Open Elective Courses, to be offered by the Computer Engineering Department for the students of all B Tech / MBA Tech programmes in Semester VI and Semester VII other than B Tech / MBA Tech (Computer Engineering), to be made effective for the students admitted in the AY 2018-19 onwards. <ol style="list-style-type: none"> <li>1. Artificial Intelligence</li> <li>2. Machine Learning</li> </ol>
	(xi)	Revision in the curricula of Master of Computer Application (MCA) by way of introduction of Teaching & Examination Scheme and Syllabi of Semester II, to be made effective for the students admitted in the AY 2020-21 onwards.
7		Consideration of recommendations made by the <b>Board of Studies in Computer Science and Engineering (Cyber Security)</b> which was held on 20.08.2020 _ as per the following resolutions for forwarding the same to the <b>Academic Council</b> for its approval:-

	(i)	Introduction of Syllabus of the following courses to be offered in semester II of the B Tech Computer Science and Engineering (Cyber Security) program to be made effective for the students admitted in the AY 2020-21 onwards. Courses are  <ol style="list-style-type: none"> <li>1. Engineering Mathematics – II</li> <li>2. Chemistry</li> <li>3. Workshop (Electronics and Computer Hardware assembly)</li> <li>4. Introduction to Python Programming</li> <li>5. Digital Logic &amp; System Design</li> <li>6. Life Skills</li> </ol>
<b>8</b>		Consideration of recommendations made by the <b>Board of Studies in Technology Management</b> which was held on 25.08.2020 as per the following resolutions for forwarding the same to the <b>Academic Council</b> for its approval:-
	(i)	Shifting of the Elective Course “Introduction to Blockchain”, to be offered to MBA Tech (all branches) from Semester X to Semester IX to be made effective for the batch 2017-2022 and onwards.
	(ii)	Shifting of the Elective Course “Global Trends in Infrastructure Management” from “Strategy and Innovation Management Elective” to “Operations and Supply Chain Management”, to be offered to MBA Tech (all branches) for Semester X to be made effective for the batch 2016-2021 and onwards..
	(iii)	Revision in number of sessions and Course Outcome mapped in the Course ‘Presentation and Communication Techniques’ offered in Semester IV of MBA Tech (all branches) admitted in AY 2020-2021 onwards.  Revision in number of sessions and Course Outcomes mapped in the Language Courses- ‘Chinese, German & Spanish’ offered in Semester X of MBA Tech Program (all branches) admitted in AY 2020-2021 onwards.  Revision in the Teaching & Examination Scheme of Course ‘Financial Analytics’ offered in Semester X of MBA Tech Program (all branches) admitted in AY 2020-21 onwards.
	(iv)	Introduction of the new 2 year full-time post graduate program “MBA (Digital Transformation)”.
<b>9</b>		Consideration of recommendations made by the <b>Board of Studies in B Tech Computer Science and Engineering (Data Science)</b> which was held on 12 <sup>th</sup> September 2020 as per the following resolutions for forwarding the same to the <b>Academic Council</b> for its approval:-

students of all B Tech / MBA Tech program in Semester VII and VIII other than B Tech / MBA Tech (Computer Engineering).

1. Deep Learning
  2. Introduction to Blockchain
- d. Revision in the curricula of B Tech (Computer Science and Business Systems) for the students admitted from AY 2019-20 onwards and D to D students admitted in the AY 2020-21 onwards
- Teaching & Examination Scheme - Semester V and VI
  - Syllabus of semester V
- e. Revision in the curricula of B Tech Integrated (Computer Engineering) from academic year 2021-22 onwards
- Teaching & Examination Scheme of Semester I and II
  - Introduction of syllabus of the following new courses to be offered in Semester I & II
    1. Introduction to IT systems
    2. Electrical and Computer Workshop
- f. Revision in the curricula of B Tech Integrated (Computer Engineering) for the students admitted from academic year 2018-19 onwards
- Teaching & Examination scheme of Semester VII to XII
  - Syllabus of Semester VII and VIII.
- g. Revision in the curricula of Master of Computer Application (MCA) for the students admitted from academic year 2020-21 onwards
- Teaching & Examination Scheme of Semester - III & IV
  - Syllabus of Semester III.
- G. To consider the recommendation of Board of Studies of Department of **Computer Science and Engineering (Cyber Security)**
- a. Revision in the curricula of B Tech (Computer Science and Engineering - Cybersecurity) for the students admitted from the AY 2021-22 onwards and direct second year students admitted from AY 2022-23 onwards
- Course Structure of Semester - I to Semester -VIII
  - Teaching & Examination Scheme of Semester I and II
- b. Revision in the curricula of B Tech (Computer Science and Engineering - Cybersecurity) by introducing Teaching & Examination Scheme and Syllabus of Semester III for the students admitted in the AY 2020-21
- H. To consider the recommendation of Board of Studies of Department of **Technology Management**
- a. Introduction of the new program, MBA (Digital Transformation) from the AY 2021-22 onwards.
- Course Structure of Semester - I to Semester -IV
  - Teaching & Examination Scheme and Syllabus of semester I
- I. To consider the recommendation of Board of Studies of Department of **B Tech Computer Science and Engineering (Data Science)**
- a. Revision in the curricula of B Tech Computer Science and Engineering (Data Science) for the students admitted from the AY 2021-22 onwards

- Remove NUE in Teaching and Examination Scheme for the 'Project Phase – I' of Semester VII for the students admitted in AY 2018 – 19.
  - Teaching & Examination Scheme and syllabi of Semester VIII for the students admitted in AY 2018 – 19 and direct second year students admitted in the academic year 2019-20 onwards.
- b. Curricula of B Tech (Computer Science and Business Systems) by introducing Teaching & Examination Scheme and Syllabus of Semester VI for the students admitted from AY 2019-20 and direct second year students admitted in the academic year 2020-21 onwards.
- c. Revision in the curricula of B Tech Integrated (Computer Engineering)
- New Course structure of Sem I to XII for the batch admitted in AY 2021-22.
  - New Teaching & Examination scheme of Semester III and Syllabi of 'Python Programming' for the batch admitted in AY 2020-21.
  - Change name of the specialization from "System Security" to "Cyber Security" in Semester IX for batch admitted in 2018-19 onwards
  - Include NUE in Teaching and Examination Scheme for 'In-plant Training Phase I' of Semester VIII for batch admitted in AY 2018-19 onwards.
- d. Introduction of the new program, B Tech (Computer Science) for the students admitted from academic year 2021 – 22 onwards.
- Course Structure of Semester I to VIII
  - Teaching and Examination scheme of Semester I and II
- G. To consider the recommendation of Board of Studies of Department of **Computer Science and Engineering (Cyber Security)**
- a. Revision in the curricula of B Tech (Computer Science and Engineering - Cybersecurity) by introducing Teaching & Examination Scheme of Semester III for the batch admitted in 2020-21 and direct second year students admitted in the academic year 2021-22.
- b. Curricula of B Tech (Computer Science and Engineering - Cybersecurity) by introducing Teaching & Examination Scheme and syllabi of Semester IV for the batch admitted in 2020-21 and direct second year students admitted in the academic year 2021-22.
- H. To consider the recommendation of Board of Studies of Department of **Technology Management**
- a. Revision in Teaching & Examination Scheme of MBA Tech Program (All Branches) Semester VII to X for the batch admitted in 2018-23.
- b. Introduction of new course 'Leadership in Digital Transformation' in Semester IX under BIA elective basket of MBA (Tech.) Program for the batch admitted in 2017-22.
- c. Revision in the syllabus of following Courses of MBA (Tech.) Program for AY 2021-22
1. Information System Management (Sem. VII)
  2. Buyer Behaviour (Sem. IX)
  3. Supply Chain and Logistics Management (Sem. IX)
  4. Financial Planning and Portfolio Management (Sem. X)
- d. Introduction of the Syllabi of the following Open Elective courses to be offered by the Technology Management Department in Semester VI, VII and VIII for B Tech and MBA Tech (all programs).
- Financial Institutions, Markets, Instruments and Services
  - Management Through Movies
